#### Welcome to Cowboy Country!

At Billings Livestock, we built our business on quality using horses. Good horses are made by good horsehands and we're proud to live and work in the heart of the west where horses continue to play a big part in our everyday lives - from ranching, rodeo, roping, to recreation.

We invite you to attend our big, February sale - it's three days chock full of better end horses! Watch the horses in our indoor preview Friday, Feb. 21 - we'll run barrels, show the cutters on cattle, preview the saddle horses, and - we'll have plenty of steers for the rope horses. We want you to buy with confidence - attend the previews, visit with the owners, and see just what the horses can do. At BLS, buy with confidence.

Head west - you'll like it out here. Get your plane tickets, haulers can be arranged! Please keep an eye on our website, we update it with horses daily and feel free to call us - we'll be glad to guide you!

Come see us! Jann Parker, 406-855-1947
