THE SHADY LADY – 2016 GRADE Black Friesian Sport Pony Mare. Shady is everyone’s versatile, all around dream pony! She stands just a hair under 14h and is stout enough to carry an adult rider. She has logged miles in the back country, riding or packing, ponies along in the string, leads or follows and we haven’t found anything that phases her. She crosses water, bogs, ditches and bridges. We’ve taken her camping in the high country and she does great high lined. She also has experience in 4-h, shown in all the walk/jog performance classes and patterned in showmanship. She’s evented beginner novice and finished on her dressage score. While she is quiet and has no buck, bite or bolt, she is still young so she’d do best with an intermediate or better rider until she’s finished. That being said, on the lungeline or leadline she also does great with beginner riders. This pony has a bright future and is only offered for sale because her rider lost interest. Whether you want to leisurely trail ride, pack an elk out of the mountains or bring home the ribbons, this pony is for you! I will keep Shady at our place for up to 7 days at no extra charge and will be more than happy to help make shipping arrangements. 360-643-3211. https://youtu.be/FsggxXICS_Q Coggins. JT3

D’ARTAGNAN – 2019 GRADE Bay American Warmblood (Percheron/TB Cross) Stallion. D’Artagnan is a stunning colt, already 15h with a lot more growing left to do. With 3 beautiful, lofty gaits he will be competitive in the dressage, Eventing or Hunter/jumpers. He was sold as a yearling from his breeders liquidation sale. His current owners planned to put him in dressage training next year but their financial situation changed due to Covid and they now have to reluctantly let their dream horse go. He had all the basics down, halter, leads, stands tied and for grooming, picks up his feet, loads and hauls. He wasn’t handled much until a few months ago so he needs more exposure and an experienced home or one with

the means to send him to a trainer. He is a kind colt by nature, not a mean bone in his body and tends to be quiet and settled even in new settings and situations. The sky is the limit for this talented colt! I will keep him at our place for up to 7 days at no extra charge and will be more than happy to help make shipping arrangements. 360-643-3211. <https://youtu.be/svZu83WAItQ> Coggins. JT4

He is very gentle and always the same horse whenever you take him out. He has been Tommy's main mount the last 3 years no matter what we are doing. He has ponied all the halter horses, trail rode, arena work, obstacles, and much, much more. He is great in the stalls and always great around my 2 brave young kids. I would say that an advanced beginner would get along with him since my 6 year old daughter rides in the arena with ease. He stands tied, clips, bathes, and shoe with ease.
