**NOTES:** "Sergeant" ~ 2018 Chestnut roan Belgian cross gelding located in Greenfield, Missouri. Friendly, steady disposition, a pleasure to work with. Great on trails, crosses water & logs while ponying multiple horses. Moved cows, rides out through the pasture or down the highway, not bothered by the traffic. Side passes, open gates, neck reins & backs. Catch him in the pasture & ride him back in a halter. We put guests on him, used him as a lesson horse for first-time-riding little kids; my 70 yr old dad has ridden him all over & gets along great with him. Gentle ground manners, comes over to a fence to mount. Rides western or english, gone over low jumps. Also has been driven in a team. Good with his feet & great with other horses. Ground covering walk, good trot & nice lope. No buck. Stands 15.3hh, good stout bone; "built" enough for any size rider. Nicely balanced in proportion; he doesn't look as big as he is. Good feet & straight legs, always sound. Will have a current coggins, health & soundness exam. Visit our website for more photos & videos [www.dblkranch.com](http://www.dblkranch.com) or give us a call with any questions 417- 637-0225.
