Welcome to Cowboy Country!

and welcome to Billings Livestock Horse Sales!

An absolutely TREMENDOUS ranch horse offering this month - all kinds, all classes, all ages, but - THEY ARE THE GOODS! Cowboys, cowhorses, and more cowhorses!! It may be as good of a selection of the REAL DEAL kind ever offered in one place, on one weekend, and - with the opportunity to watch them "show their stuff" in our judged Ranch Horse Competition!

Working ranch and using horses - many right off the ranch, out of the feedlot, calving pasture, branding corral - and - straight from GOOD hands - it all adds up to a big-time cowhorse sale weekend in Billings, Montana!

AND - how about it - your opportunity to purchase horses right off the AQHA Remuda of the Year Award Winner - "S Ranches" - the John Scott Family! Using horses that have been bred, born, used on their ranches - one brand, one program, one good set of ranch geldings!

We feel very fortunate to live and work in the west - where horses are still used to do a days' work.

This month we honor and recognize these working ranch horses and the working ranch cowboy with our "Best of the Remuda" ranch horse competition and sale session!

Check it out! Over 70 head of REAL RANCH HORSES have entered the "Best of the Remuda" Ranch Gelding Competition - these horses will compete in a JUDGED Ranch Horse Competition on Friday May 22 at 3 p.m. in the BLS Arena. Your chance to DO YOUR HOMEWORK!!! You are invited and encouraged to attend this Ranch Horse Competition - watch just what these horses can do! Eliminate the guess work - see it for yourself!

We'll have fresh cattle to cut each day - watch the cutting horses do their stuff! We ALWAYS have good roping steers and we rope at EVERY BLS horse sale (weather permitting!)

In addition to offering using horses this month, check out the ponies and kids horses! AND - our 5th annual "Appaloosa Sale Session" on Sunday!

Our host hotels include the Holiday Inn Grande Montana - 406-248-7701 ask for the horse sale rate and the Best Western Clocktower Inn 406-259-5511.

A list of haulers is included in this catalog and - call us if you have ANY questions!

Enjoy the sales, enjoy Billings, and we are glad you came!

Bill and Jann Parker, Horse Sale Managers.

Our Soundess Guarantee

Buy and sell with confidence - Credibility and Dependability are important to us.

At Billings Livestock Horse Sales, all horses that are ridden through the ring and sell as a result of being ridden through the ring, are **GUARANTEED SOUND** until Monday Noon following the Saturday Sale and Tuesday Noon following the Sunday Sale unless otherwise stated from the block. To further define our policy, if the horse sells at 6 p.m. on the Saturday of our sale, the horse will be guaranteed sound for an additional 42 hours - Noon on Monday.

What we here at BLS Horse Sales consider sound is: Sight out of both eyes, good in the air, hif the ground sound on all four, and not to crib.

Your confidence in our sale does make a difference! See you at the sale - and remember - at BLS, We Like Horses!

"Best of the Remuda" RANCH HORSE COMPETITION

Badger has been used for all around ranch work, used to rope and doctor calves outside, as well as in the branding corral. Nice sized gelding with good feet and bone. Easy to load and shoe. This horse has no buck, he's very quick and athletic and a good outside traveler. The owner is almost 60 and doesn't have much work for a young horse as she used to and would like to see him used to his full potential. Coggins.

Jesse is a strong, classy 1D barrel horse. NBHA money earner. Very easy to ride, just say who at the barrel and he turns. Jesse is big but very collected and light mouthed. He does not need any room to get around the barrel and will power out of the turn. No gate issues and will walk down the alley and into the arena without any issues. I do a lot of slow work with my horses, so he is not going to charge into the arena unless asked to. He has the speed to get it done and has the potential to take you far. We have used him to gather cattle and for calving. He was a heading horse when I bought him, and would not take much too fine tune him up again. He is also started on the poles. Jesse is ready to haul to rodeos. Video at <http://www.youtube.com/watch?v=6gxtypuJoBA> For more information (701) 260-2000 or (701) 938-3295. Coggins.

His dam, granddam, greatgranddam were grade mares from my great grandfather's range-bred horses. His dam was the lead mare of my broodmare band for 17 years and earned that position due to her speed and alert watchful eye. He is sired by Spooky Rip (14.2 hands) and his dam was 15.2 hands (her sire was a 16.1 hand race-bred). Plenty of height potential and more speed than most folks know what to do with all bred into this flashy gray colt. I ride his oldest full brother to run my mares. He is a classic barrel horse prospect or the type you can use to cover the big pasture quickly and smoothly. He will take the right can chaser to the pay window if you train him correctly. My advice, use a soft hand on his mouth and you will never have need for spurs. No saddling or ground work besides halter breaking, trimming and loading. Train him your own way. Mountain-raised his first summer of 2007. Coggins

I've ridden her lots this spring calving out cows in the mud and snow. She'll go as long as you need her to in the snow up to her belly. Would make a nice barrel or pole bending horse for some kid as she sure enough has the speed. If someone wanted to take the time Bonnie and the other pony I have in the sale (Clyde) would make a cute team. They're perfectly matched and they're good buddies. She stands 13 hands. We call this gelding Big Barney. He is truly a gentle giant. Stands 16.2, weights 1400#, and wears a size 3 shoe. He is well broke, and the type that anybody should get along with. Our 8 year old daughter rides him and he takes good care of her. Slides over to a fence or stands quietly by a bucket for you to get on him. "Barney" has been ridden in the mountains a lot and is careful where he puts his feet. We have used him for general ranch work also. He is the one we all like to ride when we go to a branding. Do you need a performance stallion prospect? This one is a looker and comes from parents that are pretty to look at too! They are bred to watch a cow and do it with all the speed that you will need to get the job done! He won't produce 100% grays either, but will produce solids and recessive colors when crossed with the right mares. His sire stands 14.2 hands and is a sturdy, stocky built horse with an adorable head, heavy bone and perfectly balanced conformation. His dam stands 15 hands and is also balanced from head to tail, has speed and cow bred foundation horses all over her pedigree. This same mare and stallion cross has already produced 3 stallions spread around the USA. Two have already produced their first foal crops and one is soon to stand after training is completed. I have also kept one red roan son from this cross to use as a replacement for his aging sire someday! That says a lot about my opinion of the kind of quality disposition, conformation and athletic performance you can own today in this young stallion prospect! He was raised in the hills and mountains on our ranch with cattle for companions. Never been stalled, but runs with our older stallions and geldings year around. No breeding experience! Never been saddled and no other ground work besides halter breaking, loading, and trimming. First West Nile & Fluvac Innovator 4 given 5/4/09; you do the boosters. Current negative Coggins and EVA. He comes to you ready to train your own way. For more info call 307-366-2386 Coggins

He trailers, ties, and is easy to handle. He has been ridden in the mountains and competed in Omoksee. This horse has been started out right and has an excellent foundation. Pee Wee is a gentle, laid back 3 year old, that is coming along nicely. He has never had any buck in him and handles good on the open trail. He is not very tall, standing a little over 14 hands, so he could be a great youth prospect. Just look at this pedigree on this top side Solito Badger is a money producing sire out of the great Peppy San Badger. If that is not enough, his Dam is sired by AQHA World Champion Leo Goldseeker Bars that only AQHA Supreme Champion to produce a Supreme Champion in history. Whoever said dynamite doesn't come in small packages has not seen Pee Wee. He loads and is easy to shoe. Current on all vaccinations and worming. Coggins.
