

March & April Sales Postponed

Upon careful consideration of the current COVID19 status, Billings Livestock Commission Horse Sales will not host a March horse sale event. The annual sale was scheduled for March 27-28-29. We will also postpone the April 24 & 25 sale. We fully understand and respect the attempts to slow the spread of the covid 19 virus and with participation from buyers and sellers coming from many states as well as Canada, we at BLS Horse Sales feel it is prudent to follow and respect the guidelines set forth at this time by the CDC. . We do not want to do anything to jeopardize the health of our customers, employees or community and have given this matter long and thoughtful consideration. We will reassess on April 1 pending the COVID19 status.

Thank you.

Jann Parker,

BLS Horse Sale Manager
