## Our Soundess Guarantee

*Buy and sell with confidence - Credibility and Dependability are important to us.*

At Billings Livestock Horse Sales, all horses that are ridden through the ring and sell as a result of being ridden through the ring, are **GUARANTEED SOUND** until Monday Noon following the Saturday Sale and Wednesday Noon for "ShowCase Internet Sale Session" unless otherwise stated from the block. To further define our policy, if the horse sells at 6 p.m. on the Saturday of our sale, the horse will be guaranteed sound for an additional 42 hours - Noon on Monday in regular session, Wednesday noon in ONLINE portion. Horses are not sold to pass a post purchase veterinarian exam and neither is ridability guaranteed. Examine and shop horses prior to bidding. What we here at BLS Horse Sales consider sound is: Sight out of both eyes, good in the air, hit the ground sound on all four, and not to crib.

*Your confidence in our sale does make a difference!*

“Boon” is a beautiful bay roan gelding that is put together right and broke to death. He stands 14.2 hands. Boon is GENTLE and stays that way every single day. He is just 5 years old but acts like he is 10. He is very laid back to ride and would fit almost any level of rider. Boon has been shown in the cutting up until this last year. He has also been used for the ranch sorting and team penning. He recently won the open sorting at the Johnson County fair. He is loaded with cow, and would be great for any level of sorter. He has also been started on the lead steer and dummy where he is showing great promise in the roping. Boon is super broke in the arena. Boon has also been on countless trail rides, and used to gather, sort and check pastures. Boon would be awesome to do the ranch versatility and ranch pleasure. **2009 Grade Gray Draft Cross Gelding**  
**Quarter Circle 4R Ranch Horses/PHC Cody, WY**

WOW here you go a half draft cross that isn't so tall it takes a ladder to get on and is still thick built, heavy boned, with a big foot but only stands 14.2 hands tall. We call him Shorty. Shorty is a gray quarter horse/percheron x gelding. Shorty is built to go all day up and down the mountain. Ride him or he's the perfect size for packing, Shorty has been used around the ranch to check fence and move cows out to summer pasture. We have done a little roping on him in the arena, ranch style and doctored on him when needed. He will pull well from the horn. He is a solid broke mountain/trail horse with ranch experience. He stays broke with time off. He is the kind you just saddle up and go. He has a good one handed neck rein and goes where he is pointed. He loads into the trailer and hauls very well. He gets along great with a herd or by himself. We encourage you to come take him for a ride make sure he's what you're looking for. We also welcome PPE's at buyers expense for more info call us at 307-250-9655 be sure to follow us on Facebook @ Quarter Circle 4R Ranch Horses. Coggins

Toby is a pretty gray gelding that stands 15.1 hands and is broke to ride. He has been ridden many miles outside in the pastures and down the trail. This summer we rode Toby a lot in the arena. He has nice lope departures, will turn over his haunches, and is soft in the face. Toby is easy to catch and gentle to be around. Here is a nice horse with a solid foundation and his whole life ahead of him. Current on farrier, and worming. FMI and video visit Hanson Horse Ranch on Facebook or call Jordan @ (507) 272 3571. **HOLLENBECK RANCH HORSES OF MOLT, MT AND BILLINGS LIVESTOCK ARE PROUD TO OFFER THE FOLLOWING QUALITY RANCH, ARENA AND ALL-AROUND HORSES FOR EVERY OCCASION - CALL US 406-425-1525**

Its 25 years of breeding with strong value in rodeo and ranching legends, with proof of the program in Five All Around titles in the Montana Pro Rodeo Circuit.

Go from the ranch to the arena without breaking a stride. The Hollenbeck's goal is to have one horse for every job so they built horses that do it all. A slow and steady progression to provide horses with rock solid foundations, good feet and legs for the ranch and rodeo life, black feet, structural correctness, a decent set of withers, angles to their front and rear end so they are smooth traveling. Breeding top quality ranching and rodeo horses has always been a top priority at Hollenbeck Ranch. Driftwood stallions crossed on his Doc O Dynamite, Peppys Tejon and King-bred mares for foundation.

The Hollenbecks intend to continue with their program of keeping, riding, and marketing older horses but they've seen enough of the finished product of the bloodlines they're marketing to be confident that their younger offerings will live up the reputation of quick solid horses in the arena or in the pasture.

**NOTES:** ONLINE – COWLEDGE MOJITO – “Mojito” is a cute mare. Mojito stands about 14.2 hands. She’s gentle, safe, patient, sure footed and easy to get along with. Don’t let her size fool you, this mare has a smooth ground covering walk, jog, and lope. She’s a got really nice handle, moves off of leg pressure, stops from your seat. Mojito has speed rating, speeds up when asked but can rock right back into a slower gate. No buck, kick, or rear. Mojito has been rode in the mountains, moved cows, had a rope thrown off her and has been to desensitize clinics. She crosses water, down timber, rocky terrain without any issues. Mojito would be an amazing step up for an intermediate rider looking for that next level horse to go have some fun on! Mojito did recently rolled into a fence and scraped her hind legs. The hair is coming back nicely, but you can still see the marks for now. Pictures available upon request. FMI 307-250-2118. Coggins.

This broodmare's pedigree is loaded with cow sense. Never broke to ride, I just never got the time. But I have loved every foal she has put on the ground. They all possess great trainability. Left open due to grass and hay shortage and not knowing what the year was going to bring. Easy breeder, has been pasture bred and hand bred. 2 of her offspring sell in this sale. 406-945-0706. With Wilywood on her papers and going back to Peppy San Badger on the top side and Tiny Charger on the bottom side, this mare has the breeding to excel on the ranch or in the arena. My intention was to ride her, but again life got in the way. So I bred her last year for her first foal and WOW did she ever deliver. A very sweet mare that is easy to handle. Foaled out unassisted. She sells with her 2021 bay filly at her side. Sire to the foal is My Beamer, a grandson of My Leroy Brown (AQHA Race SI-94/AAA/ROM LTE \$55,961) and also has Tiny Watch (AQHA Race SI-100/AAAT/ROM/Superior LTE \$106,989) on his papers. Near 16 HH 1300 lbs. 1-2 size shoe. He isn't a fancy reining/riding horse but can do just about anything you want on him. Rope, drag calves and elk, pack elk. He was driven as a team but we aren't sure why they stopped driving him. He is buddy sour and steers like a dude horse, which makes it hard to rope anything outside a pen. Really covers ground for a great mountain/trail horse with the size for heavier loads. 406-224-3879. Coggins.

Tom is a big, pretty grullo gelding. He has been on the ranch and performs all ranch tasks very well. He has been hauled to town for ranch rodeos and has done great. Smooth traveling horse and will go all day long. The first horse to meet you at the gate and loves attention. Runs to cattle hard and rates off well, pulls hard from the horn and is good to tie off on. He has become my go to horse when I need to get a hard job done. Good to shoe, worm, load and bath. Kenny is a sharp looking 15.2 hand gelding that is well broke to ride. Here is one of those been there, done that family horses!! I acquired him from some good family friends that have owned him that past 7 years and are simply cutting back on numbers due to their age. Kenny has been hauled all over and used on many trail rides and overnight camping trips. Not only is he a seasoned horse on the trail but he also rides well in the arena. He takes his leads easily, and has a very smooth lope. If you're looking for that all around family horse that everyone can enjoy, Kenny is your mount. Current on dental, farrier, and worming. Mojito is a cute mare. Mojito stands about 14.2 hands tall and with an overall solid build. She's gentle, safe, patient, sure footed and easy to get along with. Don't let her size fool you, this mare has a smooth ground covering walk, jog, and lope. She's a got really nice handle, moves off of leg pressure, stops from your seat, has a cute little headset and a great neck rein. Mojito has speed rating, speeds up when asked but can rock right back into a slower gate. No buck, kick, or rear. Mojito has been rode in the mountains, moved cows, had a rope thrown off her and has been to desensitize clinics. She rides out alone or with a group without any hassle. She crosses water, down timber, rocky terrain without any issues. Mojito would be an amazing step up for an intermediate rider looking for that next level horse to go have some fun on! Mojito did recently rolled into a fence and scraped her hind legs. The hair is coming back nicely, but you can still see the marks for now. Pictures available upon request. Colonel is our go to mount for anyone who does not ride. Meet you at the gate, catch anywhere, jump on and go. Spent most of his life as a head horse. Our daughter learned to rope on him. Rope the heel-o-matic all day but DOES NOT LIKE THE BOX. Patterned on barrels, ranch rope, drag calves to the fire, trail ride, and parades. Ridden by queens at rodeos. Very well broke, athletic and has plenty of speed. We have owned him for 11 years. No maintenance, sound and an easy keeper. He does have a scar on his front right foot that was there when we bought him as a 5 year old. Never had a problem with it. Our daughter has moved on and he is going to waste.
