Sally  
08 Grade Black Mare  
Geoff Stanbury Millarville, AB; Canada

Don't miss out on this awesome mare Sally! Standing 15 hh, this SOLID black 10 yr old mare is stout, broke, and full of heart. Sally is by a Tuf and Busy stud (sells grade), so bred to rope and ranch. She was given a great foundation by NCHA trainer Dustin Gonnet as a 4 yr old. She's earned her keep as a ranch horse with experience in the sorting pens, outside work, and TONS of mountain experience. She's tough and can handle a long days work with ease. Sally crosses mud, water, goes through thick bush. She's well started on the head side, but never hauled to jackpots. We bought Sally as a weanling and she has never once offered to buck, kick, rear, or bite. Has always been sound. Sally can be ridden by all levels of riders, including supervised kids. She is easy to catch, loads like a dream, stands tied quietly. Coggins.

Woman ridden. Pretty much anyone can ride this horse. Great with kids. He is very laid back, nothing bothers him, crosses creeks & tarps (watch the video at [www.youtube.com/watch?time\\_continue=3&v=sIizZNzrbx4](http://www.youtube.com/watch?time_continue=3&v=sIizZNzrbx4)). Light in the mouth, will go anywhere and cross anything. Put a tarp over his head, no problem. Rides with a bridle or just a halter. Big boned & hooped soggy Line Back Dun gelding. Approx 15.2 hands. Size 1+ shoes. Extremely gentle disposition. Easy to catch, will run up to you out of the pasture and practically puts the halter on himself. Loves people and attention. No bad habits. A pleasure to be around. Will stand tied all day if necessary without cribbing or pawing a hole in the ground. Dogs don't bother him, puts head down for clippers. Loads and unloads

from trailer like a pro. Sound (never taken a lame step since I've owned him 7 years). Crawl over, under, around, behind and he just stands there. Drag a RR tie like it's not even there. Very patient. I bought him from a ranch in Nebraska when he was 7 (7 years ago). Could be a good arena horse too. Probably was roped off of on the ranch I bought him from (doesn't mind a rope), though all I did was ride and pack him in the mountains and move some cows. Irish Q Hank, Tailwind Sharboy, Tophand Smokey & Bert's Valentino all right on his papers! (406)595-3377. Coggins.
