Bred, raised and used on the Haythorn Land and Cattle Company. Used for a few hundred trips to Colorado and all around ranch work. This horse should be able to go many different ways - trails, arena, or back to the ranch. Stands about 15.3 hands, deep cinchen, good hip and shoulder with foot and bone to match. If an old cowboy were to paint a picture of a big country usin' horse, I bet he'd look a lot like this guy. It's easy to see why Haythorn's horse program has lasted so many years. He's a nice, easy-going horse to be around. I've owned and used him for quite a while and hate to see him go, but it's his turn I guess. Carries all the Haythorn brands. Easy to catch, shoe, and haul; sound and gentle. UTP on vaccinations. FMI 320-305-1578. Coggins.

Dupuyer Bayou is a descendant of the great horse Driftwood, and with his awesome looks and personality, he is an all-round good horse. He was hand-picked from a colt crop of thirty from a breeder who specializes in breeding some of the state's best ranch and rodeo horses, and he has lived up to the reputation, for he has performed to a level that has exceeded all expectations. He is naturally gifted and handy; he is quick and responsive. He side passes, two tracks, yields his shoulders and hindquarters. Dupuyer Bayou is smart and a great rodeo prospect; he is good in the box, scores great, runs hard to cattle and rates so that you can take a high percentage shot. Dupuyer Bayou has roped tons of calves and has a wide-ranging list of ranching experiences. He has been used all over the ranch and has been used in the feedlots to heat detect. He has been on long cattle drives and has been used calving. We have used this gelding as a dependable mount while in the Bob Marshall Wilderness and we have taken him on numerous mountain trips. He is dog gentle, easy to catch, eager to work and easily trained. His athletic ability coupled with his intelligence makes him desirable for anybody that has horse sense and is in search of a horse that they can go out and win with. <http://www.youtube.com/watch?v=YdVFvhVxDj0>

Ike is a big good looking 6 year old gelding in the prime of his life! He has spent this past winter working in the feedlot. I have hauled him to the jackpots this winter and he is gentle and comfortable with the sites. This horse would make a ranch horse deluxe and is quite enough for a youth horse. Doing well in the arena and with some more time will be ready for increased speed. He is sharp shod and current on vaccinations and worming. NOTES: Sixes First Pick spins like a reiner both ways on a loose rein. You point your hand that direction, he goes there. Makings of a big time rope horse, ranch competition horse, ranch horse, sorter, you name it, the foundation is there and it's there everyday. He is not a real bridled up horse, packs his head naturally low, been roped on some both inside and outside. If you need to go get a job done, he's the one. If I had to go do anything, right now, this is the horse I want to ride. He has a lot of feel, you move your leg he goes right and left and knows to go somewhere. He is also the kind that if you don't ask him to do that, he will just go slow and stay that pace until asked. A special individual. For more info or to try prior to sale day, call Travis 406-321-0734.

Kiss
12 Grade Bay Pony Mare
Jeremy Pierce Malta, MT

Kiss is a beautiful cute filly that is 32 inches tall. She loves people especially kids. Kiss may only be two years old but by sale time she will have 60 days riding on her and ride like an old broke show horse. She will lope circles stop spin and be soft. That's a promise my daughter makes. She will be trained by an 8 year old little girl. My daughter loves to train ponies for other kids it's a passion she has found. Her last one she trained was a 2 year old for her brother he won "all around" in a kids rodeo. With only 60 days on his pony. Grace promises to have Kiss broke enough for your kid or kids to ride in a rodeo or on the ranch this summer. The reason for her selling this pony and her other is so she can earn money to buy the BIG horse of her dreams. Please for more info please email texaselmoe@yahoo.com or call 406-580-9490. Coggins.

This is a 15.3 hand 1200 lbs horse that is very easy on the eye. He is kind and quiet and just a nice horse to own. He has a million dollar walk and can cover the country. A nice loper and been used as a ranch horse. We just like using him for everything we do and he is easy about it all. Lots of miles and hours go into a horse to make them like this one. He runs to a cow and is good to rope on. Put any bridle on him and go do your work. He keeps his head down, his ears up and can do it all day in and day out. He has been ridden in the mountains and packed too. Very sure footed with lots of heart. He has a big soft eye and a deep cinch. We bought him from the old man that raised him and need to let him go. This horse will be a good horse for years to come. For more information (208) 220-7411. Coggins.

Ike is a 2002 model gelding that stands 16 hands and weighs 1350 lbs. His AQHA papers were lost in our house fire so he is selling grade. Ike was raised on a ranch in Thermopolis, WY but he is currently used on a 12,000 head feedlot and ranch. This gelding is very gentle, excellent to shoe and is easy to catch. He pulls hard from the horn and does excellent pushing calves in the tub. He can take a hot and doesn't mind being pushed around by cattle when he is in a tight spot. Ike tracks and rates well when doctoring cattle in the pasture. In addition he does not buck and is not cold backed or cinchy. Cowgirl is a friendly and good looking Dun mare, but is not a beginners horse. She can go all day with a ground covering stride and willing to go anywhere you put her. She is a sensitive, quiet trail horse but likes to have a job to do. Cowgirl will move cows for you all day and will wrangle horses too. She is just as good in the arena as she is outside. This mare will accept anything new that you throw at her and will learn it willingly and quickly. With a sweet personality and a go-getter attitude, Cowgirl will take you where you need to go! Dunny is a very well-bred young gelding with Peponita and Smart Chic Olena right on his papers. He is broke to ride nicely. Dunny will flex at poll, move off leg pressure, turn around nicely and stop hard. We have been tracking and roping steers as well as the heelomatic on him. In addition we have used him at team sortings and ranch rodeos. Dunny has been rode many miles outside and is ready for a full time job on the ranch or to be finished in the arena He rides with a laid back and willing to please attitude. Dunny is a cowboy colored gelding that is well on track to be an extremely nice horse with a lot of years ahead of him. Up to date on coggins, worming, and farrier. CJ, is a home grown ranch horse who is out of our proven stud, Hickorys Dry Diamond, who Josh Peek rode at the 2013 Timed Event Championships in Guthrie, OK. She has been used outside and is well started in the reining pen. She rides softly between your hands and legs, lopes great circles and has a nice turn around. She has tracked the hot heels and could make a great breakaway or calf horse. CJ, has proven she has a ton of potential and could go in any direction be it reining, cutting, roping...She is gentle, easy to trim, has a great personality and is current on all worming and vaccinations. For more information call (307) 349-5426. Coggins.

Hello, BLS Horse Sales:

We purchased "little Rascal" from BLS Horse Sales before our 2 year old, Maycee, was even born. (Sorrel pony with long mane)

Maycee has has been riding him ever since she was 3 months old, and has now passed him down to her brother Grady.

We just purchased "Fuzzy" a few months ago, again from BLS Horse Sales.

These ponies have been great for our young kids.

They both get so excited when they get to ride. Thank you, BLS.

BLS "Success Stories" are a tribute to both the buyers and sellers who come and do business with us here at Billings Livestock. Do you have a success story? We want to hear from you! I'm waiting to hear YOUR story!
