Doc is a tailor made 15.2 hand dun gelding that is dripping with shape. Not only is his conformation among the best but so are his bloodlines. Doc is by a NCHA money earning son of the great Holidoc, whom himself has LTE over \$120,000 and produced offspring earning just shy of \$1 million and 1200 AQHA points. His paternal side also possesses remarkable horses like Doc Quixote, producer of over \$10 million, and Jody Fairfax, LTE in excess of \$87,000. Doc has excellent maternal bloodlines as well. He is by a good daughter of Ill Be Smart, whom has LTE \$77,740 and offspring earning over \$1.78 million. Ill Be Smart is a full brother to one of the greatest AQHA stallions to ever live, Smart Little Lena. Along with his conformation and pedigree, Doc is well broke to ride. He will flex at the pole, lope nice circles, pivot correctly, and roll over his hocks smoothly. We have rode him all over the ranch and loved him everyday. He has been roping the heelomatic and shows the ability to be an excellent rope horse. Doc is gentle, gentle, gentle everyday whether he was rode yesterday or a month ago. He is a pleasure to be around and an asset to anyone's program. Whether your looking for a ranch, rope, sorting, rodeo, or trail horse take a look at Doc as we believe he would fit any program. Been there done that, a real hand on the ranch. Hauled across the country and ridden on trail rides. He is quiet to ride outside by himself and will walk home. An easy going heel horse that has zero issues. Used on cross country cattle drives, he has cows and an asset when working them. Redemption is a horse that you don't know you have around. He is an easy easy keeper, gets along well with other horses and does anything you ask. He has been ridden in and carried flags in parades. A really easy mover, has a good walk and is smooth to ride. Buttons
10 Grade Appalossa Mare
Lindsey Helvey Busby, MT

Buttons is a 5 yr old grade varnish App mare with an outstanding disposition. She has a good solid start. We've packed her in the Big Horn Mountains and rode her extensively outside. Will travel and keep up with much larger horses than herself, not scared to ride off from the other horses. She's the same whether you give her four days or four months off. She's been hauled to ranch rodeos (not competed on) but rode around the fair grounds and commotion. The only reason we are offering her for sale is because she is not big enough for all aspects of ranching and we don't have any children. She's not been around children, but has a possible future as a kids horse with her excellent disposition. She'll come up to you out in the pasture and wasn't hobbled or tied the whole time we were on the mountain. You'll look high a low for one colored like this with her gentle disposition. Truly one of a kind. You can see more of Buttons on our facebook page Big Sky Livestock. Coggins

NOTES: Bettin On A Kiss has been used for just about everything. From ranch work where she has covered lots of miles in her big ground covering walk to being pasture roped off of. She is no stranger to trail riding and work, she goes into pen riding at the feedlot where she helps get the gates and will watch a cow without hesitation. Kiss is an extremely nice barrel horse that runs a smooth and honest pattern having won 1D & 2D money last summer. She also runs the poles, placing and winning consistently at multiple o-mok-sees. In the breakaway, Kiss scores awesome and breaks to the pen hard, she puts you in the right spot fast and finishes up with a nice, smooth stop, leaving it up to you to clinch the prize. She hasn't had her legs hauled off and still has many more years of strong competition left. Current and up to date on vaccines, worming, & dental. Pokey
10 Grade Sorrel & White Pony Gelding
Jeremy Pierce Malta, MT

Pokey is one of a kind pony he stands 28 inches tall. He lopes circles like a reiner and moves like a cutter, and puts the run on cows like he was 15 hands tall. Pokey was trained by a 7 year girl he was her first project ever. There is nothing Pokey cant do. But as time has gone by his owner has grown and sadly he has not. Pokey loves her more than anything through the ups and downs he has learned she is his best friend. They have moved cows through the pasture sorted pairs and done a few rodeos together. They have even taught goats to lead. If you are looking for the ONE horse, one horse who gives you 100% and enjoys every minute, this is he. His handle is TOP, and he came by it easily. He is the right size, bred well, and talented. Hauled and won on as a head horse, also heeled on and works well. Can be hauled by lower and higher numbers, works for the roper who is on him. Will ride to the hip and let you take a couple of swings, or rates off and lets you throw a coil. He can take pressure and sights and sounds. He has been shown in ranch versatility competitions, really rides around and works off his hocks. A saint to use on the ranch, works all phases and works them all well. Crosses water, bridges, logs, and is good with a slicker. Has been trail ridden in the mountains and the flats, has a smooth ground covering walk. This has been one of Paje's main head horses, there is not one thing she has asked him to do that he hasn't done willingly. Guaranteed sound. Sparks is a young kid's dream pony. He is extremely kind and gentle and is a pleasure to have around. Sparks is about 13 hands and Tayler made. He is such a fun horse to have around, he is easy to catch, easy to work with, and our 6 year old daughter rides sparks everywhere. Sparks is very willing and fun to ride. He has a good smooth trot and nice easy canter. Lana asks him to do anything and he very willingly does it. He rides in the arena very nice and quiet. Lana likes chasing the hot heels on him and she plays around roping too. Sparks takes everything in stride. He is as comfortable riding outside as he is inside, he will go through, over, under, or on anything you ask. He is a very safe and special pony. NOTES: Denver is an honest and willing horse. This remarkable equine is a direct descendant of the finest bloodlines in the business. His dam is an own daughter of Smart Chic Olena, and he is sired by All Starlight. If you are looking for incredible horse, then look no further. Denver is extraordinarily easy to train and he is intent on pleasing his rider. He strives to perform to the best of his ability and requires minimum maintenance. Denver stays broke. Mechanically, he has had professional and focused training to ensure that the body is light and flexible. From his nose to his tail, he is supple and willing to yield to cues. This gelding is loaded up with cow sense; he is friendly with an agreeable disposition and is totally trustworthy. He has absolutely zero buck, and he has been ridden by complete beginners. He is desensitized, but he is still very responsive. He has a superb handle and anyone that can hold a set of reins can get along with him. He is mindful of your seat and rides accordingly all the while hunting a stop. Rates cattle extremely well and handles cows with calm no nonsense attitude and doesn't get hot or chargey. We have owned Denver since he was a yearling and have enjoyed every minute of it. So if you are looking for a great one here he is. For more information call 406-403-8820.
