Flame is a 14.3 hand 1100 pound gelding that has been a part of our ranching program his whole life and every age rider has enjoyed him. I would let my 5 year old nephew ride him or loan him to my mom. Flame has been used in all aspects of cattle work and he is a ton of fun to sort on. We have hauled him to RSNC sorting events where he routinely won money. We have taken Flame camping in the mountains and my son Trent showed him at the 4H level and qualified him for state fair in 5 classes including trail, reining, reined cowhorse, western riding and western pleasure. He loads, clips, bathes and stands like a rock for the farrier. If you are looking for a ranch horse that is the whole package for the whole family, then Flame is your guy. Check out Flame's video at <https://youtu.be/CV-rhEk2Lcc>

You can leave him here for 2 weeks at no charge, we deliver free up to 200 miles and we will work with you to make any shipping arrangements as easy as possible.

Lights is one unique gelding that stays broke and gentle. A real perk to Lights is that you can ride him once a month and he will always saddle up fine!! ABSOLUTELY bred in the purple and own son of CD Lights out of a daughter of Smart Mate. Lights has been ridden by multiple riders, novice- experienced, young and old- he stays the same "consistent" in and out of the arena. He crosses all obstacles that we have put in front of him- game, traffic, tractors, you name it. If you are looking for a solid HEEL and BREAKAWAY horse that has been hauled to all of the elite roping events with all levels of ropers that has plenty of run. Great at reading cattle, always get you to the inside, tracks the steer until you throw your rope with a big stop, here he is. When he stops, the saddle horn is up where it's always easy to dally. A real help on the ranch, stays calm, yet will get down on his belly and hold a tough cow.

Watch his video at www.turnerperformancehorses.com or give us a call 406-381-2347.

We are here to help your purchase be as easy as possible. Lights is located in Wickenburg Arizona where he will be boarded for free until near the end of May.

Farrah is an 8 year old buckskin mare who is well started in the heading and being used as a practice head horse. She has a lot of potential with the right person. Been ridden in the branding pen and had long days of gathering, sorting etc. Good mount to use all day as she never quits. No buck, sound.

Nice young mare, would suit someone looking for a trail horse, head horse, ranch horse type. She is hard to catch when turned out with other horses.

One of the coolest things about Joe is his personality. He will stand quietly all day and has the sweetest disposition. If you want a seasoned outside riding horse, Joe would be a perfect addition. Extra gentle and simple to ride. He has also been roping the hot heels and is ready to rope out of the box. He lopes great circles, is soft in the face and a big stopper!! Very much a quality rope horse prospect. He is very honest and sure footed. We would call him suitable for most any level rider and he sure is extra kind and gentle. Sound.

We offer free board for 10 days or delivery up to 150 miles.

14.2 hand mare weighs 1150. Very square mare nice mare she's had one goal sells sound to breed or ride. Has been shown in working cow horse classes but is now just being used as a ranch horse. She's done all phases of ranch work; been in feedyard, trails, 4H shows, is a really honest little horse. She's also a very nice breakaway, heel, or calf horse prospect. She will watch a cow nice and is ready to go on with. Had a few cattle roped on her outside and tracked the machine, she's truly an all-around prospect. Good minded and safe!

Check out Luke!!! He is a super nice young gelding that is very gentle and rides the very best. He was raised right down the road from me. Luke has been used extensively for trail riding and ranch chores. Luke has gathered cattle and checked miles of pasture in rough country. He is sure footed and never refuses. Luke has the sweetest trot/jog and lope that is easy to ride all day long. Luke has movie star looks that are hard to find. This horse will load and unload in a slant trailer or stock, clips, bathes, hauls great, and is a gentleman to be around. He's been on overnight camping trips as well. Luke has been ridden more miles than most 10 year old horses. Luke has no scars, bumps or blemishes. He will be guaranteed sound and has no vices. The papers on this gelding are in the APHA currently and should be ready by sale day and will be guaranteed to the buyer. Someone will really enjoy this horse for the rest of his life.
