Haas is an amazing horse, cute as a button, very kind and forgiving. He is a chocolate brown gelding, stands about 15 hands, has a cute hip, head, and an expressive eye. He is the horse that is always happy to see you and will meet you at the gate, well almost always. Haas is a horse that we feel fits, most every level of rider from very novice to extremely experienced. Has been ridden by dozens of people, doesn't seem to take advantage of the rider and stays broke. He is a super horse to ride outside on the trails or on the ranch, he is good with crossing water, bridges, logs and is good with a slicker. Haas is a seasoned ranch gelding, will ride out alone, watches a cow and is good to doctor and brand on. He is not one that looks for a reason to spook, he likes to be ridden. Leave him off on full feed for a month, saddle him up and ride off. He can be ridden bareback in a halter, and ridden out and about. He is a finished and VERY fancy heel horse. Will score flat footed each and every time, with any number of roper. Has been roped on by a #1 to a #8, a horse everyone ALWAYS compliments on. He has been tied onto, but is one that a lower number can still dally on. This has been one of our go-to horses when someone needs a horse to rope on or ride. We welcome you to come and ride him prior to the sale, you will not be disappointed. Haas is definitely a sale highlight! "Maximus" is a talented all-around gelding! I bought him as a 3 year old and since have covered every corner of our ranch on him! He was my pick to calve on last winter because he handles every situation with a level head. He's got a big stop, one hand neck rein, lots of speed, and a big heart. Last summer he was hauled to barrel racing and team roping jackpots (ropes both ends). He's clocking 2D with limited hauling. He's strong in his turns and has a lot of talent. Maximus ropes both ends, pulls hard, has a big move, and take a hit like a champ! He has long been a favorite, he's the kind of reliable horse that puts forth 110% every time you saddle him regardless of the job. He is the only horse you need to ranch or rodeo on. Maximus is easy to catch, load, bathe, utd on all vaccinations and worming. Videos available, for more information contact Vanessa 406-230-2821. Coggins.

This 6 year old beautiful bay roan I am bringing is a special offer for someone looking for that special horse. I can not say enough about this horse. I have had him since a weanling, started him right, rode him myself. For 2 years did anything I needed done for work. Started roping on him in the arena, you can heel or head on this horse. Super good mind, very gentle. Does everything you ask of him. The last year he became my 13 year old sons horse. He branded on him, rode outside, used in Ranch Rodeos and totally enjoyed him. If someone truly is looking for that special horse that is really broke, really gentle, really pretty, he is the one. 100% gentle. Sound, must come see this pen of horses. We love riding and using him, he is perfect for what we do. Unfortunately we have too many colts currently to keep them all. He crosses swamps, water, bridges and down timber with ease. He walks out like a freight train yet has a perfect smooth and gaited lope. Mucho has spent his life in the mountains chasing, gathering, doctoring, separating cattle, and started ranch roping. He has a great rein and moves off of leg pressure nicely. Mucho is quick on his feet and incredibly sure footed. He has good straight legs, good muscle and feet. Our son loves to hunt on him and has packed deer and elk on him. Mucho is great to shoe, wash, clip, groom, saddle, bridle, and will catch anywhere with a hand full of grain. Muchos sire Dazzs Dundee is a superior reining horse and his Dam Skipa Bar B San was an incredible cow horse with a wonderful gentle nature. Rosemary
05 Grade Sorrel Molly Mule
4K Horses, Jackson, MN

She has been there and done that! Super gentle and broke for anyone. Lopes collected circles, one hand, neck reins and pivots over her hocks. Been rode and used with the geldings on the ranch, packed large game and has also been in parades. Good with her ears and tacks up with no issues. Jumps 4 feet with a blanket as well. Certainly the kind pf mule anyone would enjoy riding. Coggins.
