I bought "Tres" at the March sale 2007, he was the high selling horse. What an awesome horse. My son took reining lessons and was heeling on him. Tres has been shown in halter, reining, horsemanship and other show classes and placed very well. He was trained by Harvey Stevens of OK, and placed in the top five at a reining futurity in OKC. He is very gentle, has a terrific stop, easy to handle, is a pretty mover and is fun to ride. He lunges both ways. Really enjoys being with people. Tres needs a new home, with someone to ride or show him. My son, who is in high school, has decided that 4 wheeler with his buddies is more fun. So I decided, Tres was way to nice a horse to be standing around doing nothing. You will totally fall recently shod. You can not go wrong with Tres. Coggins.

Her dam has 80 halter points and was grand or reserve 23 times straight. Her dams sire goes to HALL OF FAME Go Man Go-AAT and her grandsire on the bottom is AQHA Champion son of the great LEO, also in the HALL OF FAME. She is guaranteed sound for breeding, we did not rebreed her this year as we are retiring. He She is easy A/I breeder and safe to handle. We are keeping her two year old gelding to show. He won money or the buckle in every yearling futurity we entered him in. GG passes her gorgeous head to her foals, her kind disposition and her smarts. All of the foals we have had out of her are smarter than the rest of the foals. Exceptional learners and willing attitudes with pretty bodies. You will not be begging the AQHA stallion owners to breed this mare. GG has had her teeth floated and the best of care at our house, she is current EEEFT, West Nile, and CEM. She has had her feet trimmed and been worned regualry. You will enjoy her, as she is the first to greet you in the barn or at the gate. Easy to catch. Her foals are friendly and easy to handle. I purchased him as a yearling at a charity auction. I have no experience with young horses and would like to see him have a job, he has spent too much time standing around waiting for me to find time to do something useful with him. Take him and give him a chance! You won't be disappointed.

Jessie is a big, solid gentle broke gelding with a big, silver mane and tail. Really gentle and very, very broke. This horse has a lot of pretty neck, good withers, muscular for arm, round hip, with a powerful hind leg. Jessie has a great ranch resume. He is good with cattle inside or outside. He is cowy, quick and willing to work. He has also been roped off of and always has a good mind. He saddles up gentle every time no matter how much time he's had off. Very good neck rein, soft in the face. Works off your legs, lopes smooth easy circles, big stops spins both ways. 100% sound, safe, and gentle. Coggins.

This filly wants to please, she has been started under saddle, ridden and it was like a duck to water. She is low headed and keen. Will make a fabulous High School Rodeo Prospect, or top barrel prospect. She is pretty enough to show halter in the breed classes and will certainly win open shows. Her sire is a son of the great Dreamfinder who has sired working horses, halter horses, arena horses and the one thing you notice is the pretty heads and good minds. She is enrolled in the BREEDERS TRUST and is eligible to win money at the breed shows. Her dam is a direct daughter of Tardee Impressive-AQHA who has a World Champion and World Champion Sire. Her coat may be soiled chestnut, but her veins are rich with the blood of champions. You don't need color to have quality. She lounges, know the round pen, and is current EEEFT, West Nile, Worming, CEM, Coggins
