Demand Stronger - our next loose sale March 1
BLS Loose Market Sees Uptick

A measureable upswing in the loose horse trade at the January 24 sale indicated a stronger demand in all divisions of the loose market.

A notably seasonal market move, due in part to lessened volume and supply in the winter months, pushed the market on the best processing horses - those horses weighing 1,100 lbs and up in good condition - to a 60 cent high.

Riding prospects ran wild as the top end of the riders in the loose pen brought \$3,000 pushing the top five average to \$2,205.

The top 10 on the loose averaged \$1,687, top 20 brought \$1,395, top 50 at \$998, and the top 100 averaged \$781.

The overall average on EVERY LOOSE horse sold was \$599.

If you have loose horses to market, a competitive market can be found in Billings.

For specific questions regarding the loose trade, call Bill Parker 406.670.0773 or Jann Parker 406.855.1947

Loose horses can be brought in to the yards from Thursday on. We are staffed 24/7. Come see us!

A Very Special Pony

MICKEY- 2008 GRADE Black & White Pony Gelding. Mickey stands about 13 hands and is very cute. He built like a small horse, not a pony. Lana and her friends have been ridden him everywhere and doing most everything on him. Lana's friend that knows how to rope better than her has been roping the hot heels on him and he is getting quite good at it. We have pulled the kids on the sled 3-4 kids at a time with him. Lana has ridden him outside & inside. She rides him fast & she rides him slow. She brushes him and saddles him herself. She will go into the stall and catch him and sit on him while he eats. Thank you Thank you Thank you

From Ira Speer, Kansas

My name is Ira Speer and I attended your March 22-23 2014 sale for the first time.

I have a brother who lives in Butte, Montana and he bought a horse at this sale a couple years earlier.

I called him in Feb. of this year and told him I was looking for a horse for my 9yr old son.

We talked about this sale that was coming up in March and he told me there are some great horses there. I told him that I was going to start making plans to drive from Kansas up to the sale and he told me to start looking on-line at the catalog and start making a list of horses that I thought I was interested in.

When March came around I made the trip up to Billings for the sale. As I arrived into Billings on the Thursday before the sale I was very impressed with the staff of the Billings Livestock barn. I had a blow out on my trailer about 100 miles out from Billings. I asked the folks at the sale barn if I could leave my trailer there while I found a Hotel and a new tire for the trailer.

They where more than happy to let me leave the trailer and told me that if I needed anything else let them know.

As Friday arrived I made my way over to the preview of the sale. This is the first time I had ever seen a preview of horses being sold at a sale. What a great benefit for a buyer who is looking at hundreds of horses and trying to make a decision for their 9yr. old son!

After the preview on Friday I had cut my list down to a handful of horses I really liked. When Saturday came around and the horses started to sell I ended up buying a horse I had picked out and had been talking to the owner a few months prior to the sale.

The horse was hip number 142 of that sale and the owner was Mitch Svagstu of Noonan ND. I can not tell you enough how true this horse is to what Mitch told me. When I got him back home in Kansas I started team roping immediately on him and what a solid heel horse this horse is. I have roped on this horse all summer and entered him in a Ranch Rodeo in which we took second place.

In September of this year I hauled this horse to the Flint Hills of Kansas to gather cattle. While on this trip to the Flint Hills I had to rope a momma cow and pull a calf. This horse worked flawless in a situation in which I had never been in on him.

Since the time I have bought this horse at Billings Livestock sale he has done everything that Mitch said he would and then some. Everything from trailering, to shoeing, to standing tied for long periods of time to just having great manners.

The reason I am writing this email is to say thank you Billings Livestock for such a great experience in finding a horse for my son. But maybe even bigger is a Big Thank you to Mitch Svagstu for being such a honest and trusting person. From all the phone calls leading up to the sale, to calling me months after the sale to make sure Amos is still being honest and true like you said he is.

This makes me as the buyer feel very good about buying this horse, knowing that Mitch is still calling to check on the horse and making sure he is doing what he is suppose to. This weekend my son rode Amos for the first time gathering cattle. What a great moment in our family to see our 9yr. old son looping across the pasture trailing 50 momma cows and with such great confidence on his new horse!!

So once again thank you Bill and Jann Parker for having a outstanding horse sale and I would be proud to have Mitch Svagstu bring horses to your sale!!

How about it? That pretty much sums it up - do your homework and chances are you will be happy. Thank you, Ira and Renner for sharing. We wish you continued success with YOUR BLS horse!

Renner and his new horse, King.
