**PERFORMANCE RECORD:** NCHA earner of \$1,367.

**NOTES:** Peppy Freckles Rio is like a day off. You tie him up, he stays where you tie him, he doesn't jick and jack and bother his neighbor, there will be no holes dug to China, he's glad to see you, stands to get on and off, walks when you want to walk, trots when you want to trot, catches his leads and rides off your legs and seat. He's got that "Playboy" stop he's bred to have, he's won NCHA money. An absolute gentleman and a class ride. A fun horse to own, have a big time working the flag or take him to the cutting, ride him in a parade or go to the neighbors looking good on a horse you can trust. Does not refuse a task. He's gentle but has FEEL, he's not dead-sided and lazy, he's polite and respects subtle leg pressure. Doesn't need reminders, he's got this. He's broke and stays that way. Bill has him started roping the hot heels and we have him lightly going on barrels. Call me to try Buckwheat before sale day. He really is a good guy. 406.855.1947. Coggins.

Bruno has been my #1 horse for the last year specially when I need to get something done in a hurry. From shipping cattle to roping something that needs to be doctored, with Bruno it does not matter the size of the animal he can hold or pull into a trailer. Bruno has the athletic ability to excel in arena or just be one of the nicest ranch horse u will own. 100% sound. FMI (509) 486-8139. Coggins.

Mickey  
08 Grade Black & White Paint Pony Gelding  
Lana Houck N. Branch, MN

Mickey stands about 13 hands and is very cute. He built like a small horse, not a pony. Lana and her friends have been ridden him everywhere and doing most everything on him. Last fall he went on a 3 day trail ride at a State Park, going through the timber & rough country, through rivers and then stood tied to a picket line the rest of the time. Lana's friend that knows how to rope better than her has been roping the hot heels on him and he is getting quite good at it. We have pulled the kids on the sled 3-4 kids at a time with him. Lana has ridden him outside & inside. She rides him fast & she rides him slow. She brushes him and saddles him herself. She will go into the stall and catch him and sit on him while he eats. Exceptionally bred, gentle, gentle, gentle fancy black gelding. When you want to ride first class, Delta is the one. Take him out for a spin bareback in a halter, saddle him up and go win the Ranch Versatility Competition, or load him in the trailer and head to the truck roping. Head and heel horse, scores, can run, rates, lets you get up and rope, handles cattle really neat and can face. On the heeling end, ride him high or hang back, always makes a good entry and lets you see feet, has a cool stop and does it all correctly. Good with ropes around his feet and legs, has been tied on too. On the ranch, he will watch a cow, has been used to gather, sort, doctor and brand. If you want to buy a horse that you can lay off for periods of time in a stall or pasture, Delta is for you. He is a dead shot trail horse, crosses water, bridges and is good with a slicker. Extremely smooth gaited and good with his feet in the mountains in rough terrain. We will stand behind this one of a kind gelding. He is sound and zero vices. We also welcome you to come and try him. Chico  
08 Grade Buckskin Pony Gelding  
McNabb Livestock Cody, WY

Chico is one fancy pony, 13.2 hands tall, 1100lbs but built like halter horse. Big round hip, short back, good neck, cute baby doll head with a big soft eye. Chico also has that gorgeous buttermilk buckskin color to top it all off. He is the kind you will look hard to find. He is the first one to meet you at the gate, he catches you anywhere no matter how large the area. He saddles up quiet and rides off the same no matter how long you've let him set. He is gentle enough for the most beginner but we have done every ranch job on him and he's good at it all. He's been rode up and down the mountain, in town and used for horsemanship clinics. Chico is a sure footed solid mount for everything we've asked him to do. He will load in any trailer and back out. Chico is excellent to bathe, clip, and shoe. Whether you are looking to a good kids horse, a fancy ladies horse, from ranch work to trail riding, Chico is one you shouldn't pass by. For more information call 307-250-0900. Red is a well-made 15 hand red roan gelding that is well broke to ride. He has been ridden many miles outside where nothing phases him. He will neck rein, side pass, and stand when asked. Red is quiet to be around and easy to work with. He saddles up good and rides off without any nonsense. He is quick footed and good to sort on. Red will pull from the horn and work a rope nice. We have started to rope off him in the arena. He has the size, ability and stop to be finished on either end. Red is a solid broke, using gelding that could either go back to the ranch, be finished in the arena, or simply be enjoyed as a trail horse. Very pretty, shapely well bred mare. Started right, been ridden inside and out. Ready for the barrel futurities. Quiet and friendly, wants to please and is ready to go to work. 15h and 1000 pounds. Has been working at a feed lot for 60 days and doing great. Pistol Annie also qualifies for a tri state barrel futurity, and has the breeding for speed. We have roped off of her, she shows a lot of speed and cow, would make a confident rider a great horse. Coggins.

Joe is a very sensible and gentle gelding that is riding nicely. He has a rocking chair lope and a nice stop. Joe will bend at the poll and move off leg pressure. Bubba is a very nice head horse for the kind of guy that needs a really solid horse in the box. If you are just getting started roping or if you are a high number roper, this horse has all the run that you need and really gets left nice. Bubba is one of the most solid head horses that you can throw your leg over and let anybody ride. He stands 15.2, he has a really big hip and a good head. Tennessee knows his way around a rope and would make an excellent team roping horse. He has super smooth gaits with a rocking horse lope that makes him an eye catcher. Has spent time in downed timber and on rocky and boggy ground; make him sure footed and level headed. Tennessee is easy to catch and has good ground manners. Nicely bred with Wyoming Doc (NCHA money earnings \$100,000+), Peppy San (AQHA Hall of Famer) and Zan Parr Bar (AQHA Hall of Famer on his papers). **Faith Showalter, Billings, MT**

Here's Cletus and his own personal cowgirl, Faith Showalter, Billings, MT. Faith and Cletus were in Faith, SD at the NCHA Cuttingin August. Cletus and Faith have been many miles this past summer and are now an inseperable pair. Faith rides her pony from the time she gets up in the morning until the time her mom makes her put him away. Cletus was purchased at Billings Livestock in April 2014 from consignor K-T Ranch Horses, Bernard, IA.

**Becky McGregor, Canistota, SD**

We bought two ponies from you sight unseen in November, 2013.

We felt like a fool and his money are soon parted.

I believe their previous owner was Brain Becker.

It was one of the best purchases we have ever made.

Shorty has proven to be exactly what we were looking for as is Sunny.

He has already won my daughter many first places and plenty of other placings.

Thank you for all your help.

EDITORS NOTE - Consignor was Brian Becker, Hastings, NE and Sunny was HIP 176 a 1996 Grade Sorrel Pony Gelding and Bunny sold as Hip 223 "Coaston Bunny" a 2000 AQHA Grullo Gelding.

Do you have a success story? About the horses and people who purchased them at Billings Livestock? We would like to hear from you!
