## and welcome to Billings Livestock Horse Sales

This sale has it going on - the good, the better, the best - it's ALL here!

This 2019 edition of the February Special Catalog Sale marks the 21st annual event here at Billings Livestock Commission Horse Sales and honestly, it is STACKED with the good kind. In all disciplines - Rope, Ride, Ranch, Rodeo, or Recreate - there is a horse for all classifications.

Big, big preview on Friday, February 22 beginning at 9 a.m. with a special SPOTLIGHT preview on the rope horses to start things off.

The official preview will begin at 10 a.m. with the barrel horses - on good ground and in a competition set up. Poles follow.

We will work the arena, add sand, and show you the cutting horses on fresh cattle.

Then to the saddle and ride horses, and - tie down horses, rope horses will show again following the saddle and ride horses - PREMIUM opportunity to watch the rope horses work for you! So - two shots of preview on those rope horses.

It matters, and we know it. A "WOW" selection of barrel horses for ALL levels - hauled, won on, futurity and derby prospects, High School, jackpots, I-D, 2-D, pro-caliber - They are coming to BLS

in February!! And - the best part - watch them go at a facility that hosts some of the regions biggest barrel races.

An incredible selection of STALLIONS and STALLION PROSPECTS - These guys are coming with occupations, money earned, and produce records, and young horses with lots of future ahead of them.

Using geldings and arena geldings - paycheck packing show horses, from roping to reined cowhorse, some ready to haul and enter on next weekend. AND - maybe some of the BEST cutters and reiners our consignors have ever brought us - SELL this weekend!

JOIN US! SHOP THOSE HORSES!!

Previews are an important element of our sales at BLS. We invite you to take the time to attend the preview - it is SO worth the research.

Haulers can be arranged, just call us, we'll get you set up! INSURANCE, TOO!

It's easy to fly in to Billings - come see us! Have a great time at the sale, we're so glad you came. We like horses, and know YOU do, too!

## Our Soundness Guarantee

We want you to **buy and sell** with confidence at Billings Livestock.

*Credibility and Dependability are important to us.*

At Billings Livestock Horse Sales, all horses that are ridden through the ring and sell as a result of being ridden through the ring, are **GUARANTEED SOUND** until Monday Noon following the Saturday Sale and Tuesday Noon following the Sunday Sale unless otherwise stated from the block. To further define our policy, if the horse sells at 6 p.m. on the Saturday of our sale, the horse will be guaranteed sound for an additional 42 hours - Noon on Monday. What we here at BLS Horse Sales consider sound is: Sight out of both eyes, good in the air, hit the ground sound on all four, and not to crib.

*Your confidence in our sale does make a difference!* See you at the sale - and remember - at BLS, We Like Horses!

## ROPE, CUT, & RIDE!

Cowboy is as nice as they get. Ride him around 1 handed, spin a hole in the ground, cut a cow, whatever you want to do he can do it. Has gathered rough country, sorted pairs, shipped, doctored, Cowboy has done it all. He can rope both ends and work a rope, he will really watch a cow. He would make one handy ranch horse or take him to the arena and win some buckles in reining or working cowhorse. He is eligible for the National Reining Breeders Classic, and is registered with the National Reining Horse Association. (308) 201-0881. Coggins.

Bubbles is a 13 year old bay 15.1hh quarter horse gelding. He is well put together, easy to get along with and super broke. We have bred and raised Bubbles. He is no stranger to ranch work. He is a very honest and reliable ranch horse. He is good for long miles or short and has been rode by riders of all experience levels. He is the type of horse you can throw a guest/kid or beginner on to ride along with you or one that is handy enough an experienced rider will enjoy. He has spent most of his life doing ranch work, he is good a traveling in rough terrain but has also been started in the arena. Bubbles is a started head and breakaway horse, he has been heeled off of a few times but is green (you have to ride him into position), as well as patterned in the barrels and poles. Bubbles needs seasoned as he hasn't hardly been hauled anywhere but he in my opinion won't take much work to have him rodeo ready given the miles of ranch work he has seen and how broke he is. For more information and/or videos feel free to contact me this is a great horse and the only reason he is being sold is we raise horses and it is time to give some young ones the opportunity to gain more experience. Wiggys is a big stout 15.2 hh good looking stout brown gelding. He is a horse that we have bred and raised here at Falls Ranch. He has earned his living on the ranch. He is a great horse for covering as well as working in the corral. He is one of my favorite horses for the mountain country as he travels out really well and loves to work. He is a tough horse that knows how to travel in rough terrain. He is good for roping and doctoring off of. He was used as a pick up horse by a friend at Cheyenne Frontier Days. He is very honest reliable and gentle. I would say he is not for a real inexperienced rider as he has a little too much go but he is a horse that will take care of you and I would trust to put a kid on if they were comfortable with riding. I hope to have him started heading before the sale. For more information and/or videos feel free to contact me this is a great horse and the only reason he is being sold is we raise horses and it is time to give some young ones the opportunity to gain more experience. Icey  
16 Grade Palomino Mare  
Olivia Cafilich Beaverlodge, AB; Canada

Icey - Aug 3 2016 grade palomino mare. Although she is grade, she does come from registered stock. Sired at our ranch by our buckskin AQHA stallion JB Johnny Cash (Bill Cody on papers) and out of our sorrel TB mare Battle Type. Icey stands 14.2hh and should mature to a solid built 15.3-16hh. She was lightly started last summer and turned back out to mature until December when she started full time training in our program. She has excelled in her liberty, ground work and under saddle. She is a quiet easy going natured horse who is willing to please and a dream to work with. She is ground tying nicely, fence mounts, trailers and hauls well. Just a pleasure to have around. Ready to go any directions! (780) 933-9523. Coggins.

P. Sherman is a 6 year old grandson of WR This Cats Smart. He is a 14.3 HH Palomino gelding. He's gentle as can be and good to haul, shoe, clip, and bathe. He has been used for team sorting, brandings, gathered cows, and in the feedlot. He is currently loping through the barrels and will make the same pattern every time. He has done his fair share of time only's, just needs to add speed. I've roped about 100 calves on him out of the box and he's tracked the heelomatic. I've hauled him to many rodeos and jackpots as a buddy horse and he has handled it all great! He has been used quite a bit outside. However, I feel he would most excel inside the arena. Chris is good looking 16h red roan gelding, soft in the mouth, is responsive to leg cues, good with his feet and clipping. He has been worked on the barrels and been behind a Smarty. He is a very friendly horse and likes attention. He works quite well opening and closing gates and has a good walk on him when out checking and working cattle. In the arena he has a very good handle on him, loping circles, changing leads and stopping. He has Dash For Cash and Beduino on his top side. Call 406-853-2292 or 406-672-4348. Coggins.

If you're looking for a young well started gelding to ranch on and or take to the arena "Blue" is the ticket. He has a great start, is soft in the bridle, moves off of leg pressure and neck reins well. He has done very well tracking and roping slow cattle and a dummy. I have ridden him in the pasture and crossed water many times. I think he would make a great head horse. He is a good size

Shooter is a big pretty gelding that stands 15.3 hands tall and stout as they come. He's been hauled all over to jackpots and US ropings. This horse is a great horse to learn on or for a lower number roper to jackpot on but could still go in the higher number ropings. He scores great, lots of run but has rate. He will handle cattle well and faces nice. He will let you run lots of cattle on him with no problem. Shooter is very broke. He has been used extensively on the ranch and is a great trail horse for any level. Very nice horse that everyone comes and wants to ride and rope on. This is a hard one to sell. Chocolate Fudge has been definitely been a Night in Shining Armor for us. We have owned him for 3 years and our kids have enjoyed every single day with him. He stands 38 inches and he is as cute of a pony as you could ever ask for. He has a heart of gold and is the kindest, gentle pony in the world. He is so friendly and so kind. Our kids have done everything possible with him. He is awesome on the trails and goes everywhere and anywhere the kids ask. My 5 year old boy is his main rider. Clayton has hauled him to countless shows and Little Britches Rodeos. He has collected a whole wall full of ribbons on Fudge in many classes. He has goat tied off him and chased a lot of cows too. Clayton's friends have even rode Fudge at shows and had fun riding him. Fudge has even rode in the back of the pickup! This is definitely a million dollar pony and we hope many more kids get to learn to ride on him. Please call 612-810-5455 with any questions. <https://www.youtube.com/watch?v=EwcuLU3iZ6Jg> Coggins.
