NOTES: Spectacular Younggun is cute as they come, 14.3 hands, chunky made with a good hip and hind leg. Cherry red sorrel with black feet. We have used him for heeling steers as well as heading in the arena. Does things very correct on both ends. He is a finished rope horse. He has a good head horse move and a quick face. He has a lot of natural rate and cow sense. Fun to heel on, squares up quick and gives you a good shot every time. Been hauled and won on both ends to rodeos and jackpots. He has been to the World Series Finals. We have also done a lot of breakaway roping on him. He is good in the box and will stop hard and square. He loves people and is a handy size to rope on, ranch on, or head down the trail. He is great in the branding pen and any other ranch chores. He has a good ground covering walk and the heart to go all day. Started his training as a cutter and has been used as a turn back and penning horse. Very versatile gelding that is easy to ride, gentle and safe to do about anything on. He's got a great cow horse pedigree and is a good-minded all around top notch gelding, guaranteed sound. Elf is a big, well-built gelding that has been ranched on in the rough country. Used from calving, branding, trailing to weaning. He is Colton's favorite to use for the big rides. Elf goes all day and never takes a bad step. Elf is also a rock solid head horse. He scores well, breaks hard, gives you an honest shot every time and pulls strong at the horn. His only fault is he is cold back, but otherwise he stands tied, hauls great, great to trim, both boys decided they want to heel so we no longer need him. Canoe is a gorgeous Palomino gelding that is super gentle and broke to ride. He is a very personable horse that is very willing to please. Canoe is stout made and stands 15 hands tall. He has been ridden both in and out of the arena. He is showing talent in the arena where he will lope collected circles, has a good lope departure, is soft in his face and ribcage and is stepping around nicely. We have also been tracking the heel o matic, where he is showing a lot of interest. We have shot a gun off Canoe also and he handled it awesome. Canoe is good to ride outside where he has been used to check fence and pastures, been trail ridden, is good around traffic, and will cross any obstacle in his path. This is a very nice young gelding with his entire life ahead of him. FMI CONTACT Alise @ 507.951.7880 or Visit us online @ www.jahorseranch.com Coggins.

NOTES: **Da Fast Lane Ta Fame** is a big full bodied, beautiful sorrel gelding that stands 16.2H and weighs 1400lbs. He is a finished 1D barrel horse that is solid. He has done every job on the ranch from dragging calves, roping and doctoring cattle in the pasture. Lane is broke like a cutter. He has been used in the feed yard. Lane runs to the left, walks in and out of the gate flat footed. He warms up calm. For a big horse he is really ratey and has that DTF turn and quick speed to make him fun in the smaller pens, but has the outright speed to clock in the big ones. Lane hauls great, handles all types of ground and runs in any arena setup. He has been to Big 4D races, rodeos, AQHA world show and everything in-between. Cody is a 15.1 hand, very good looking gelding with good foot and bone. He is very, very broke. He is old fashioned one hand ranch broke. He will side pass to any gate, swap leads, turn correct and drag his butt time and time again. He will work a flag, work a cow and he has been pasture roped and used extensively. He has been shown successfully by Shane at several ranch horse/ranch versatility shows. He has been shown ranch pleasure, ranch riding and queen contests. He is the definition of a true ranch horse. He has been used and knows what a days work is but gentle enough that a novice could ride him. Very, very, very good gelding. Sound. He has been roping the hot heels and is ready to back in the box. We believe this horse would excel on head and heel side. Pictures and videos under West Fork Ranch on Facebook. Feel free to call Shane at 940-765-7177. Coggins.

Gentle ranch gelding that I bought as a three year old. He had just a few rides on him. I have been using him on the Froze To Death Grazing District the last three years. He is real broke to ride. He has roped bulls, cows and horses. Pulls good from the horn, works a rope; you can get off and doctor one. Used to sort stock. He is very cowy. Fast walk, good for all day. Sound and gentle. 406-679-3988. Coggins.

Rocco is the type of horse you just can't explain in a horse write up but I will do my best. He stands 15 hands tall with the prettiest color in the world. He is an absolute character with a funny personality. He wants nothing more than to be your friend and part of the family. If you're looking for a horse to have the rest of your life he would be a good one to take home. He moves off of leg pressure, he's been roped on, and he's been trail rode all over the place. He is very smooth and does everything very correct. He stands for the farrier, loads in the trailer, and has never offered to buck. Be sure to come meet him at the sale for he loves to make new friends. To view his video please go to www.youtube.com and search Rocco BLS horse sale. Trail rides, parades, cattle work, and fun shows are just some of his many talents. He has sat for long periods of time and rode off with no issues when asked. What a cute made gelding. Babydoll head, big hip and a kind eye. He is so gentle and easy going. We have done all of the ranch work with him and he does it all well. We have loaned him out for 3 week horsemanship clinics where he took care of his rider and taught them many things about riding. We had young girls ride him all summer taking him swimming and down the road through the traffic to their grandma's. He is solid and safe anywhere you take him. He is our go-to horse for every job and every rider. He has a great one handed neck rein and rides around quiet, gentle and easy going in every situation. He has been many miles up and down the mountain both trail riding and gathering/checking cattle. He is the first one to meet you at the gate and is always happy to go for a ride no matter what you are doing. We have had all levels of riders take him out and enjoy him. He is excellent to bathe, clip shoe and load. For more information call 307-250-9655. Don't overlook this sales highlight. Buster has seen more of the country than even I have. From carrying the flag in the bright lights of Vegas at the NFR, to working from daylight to dark pulling balers and manure spreaders and EVERYTHING IN BETWEEN - ranch work, trail rides, arena - he has done it ALL. He has gone to rodeos all summer to pull bulls out of the arena pulling right from the horn. Heck, he is also broke to drive double. There is nothing he won't do. The most willing employee I have ever worked with. Good to saddle and shoe with a size 4 shoe and stands 17.2 hh. Nothing bothers him and will do whatever you ask. My 8 year old boy has used him at the yards and rodeos. FMI 406-425-0167. Coggins.
