Whiskey is one super broke guy who is very gentle and easy going. He is a finished reiner and could easily go to the show pen but he is handy broke for any job you want to do with him. We have done all the ranch work on him. We have roped bulls on him and brought them into the corral from off the BLM. He has drug calves to the fire. We have started heeling on him out of the box on live cattle. He has great rate, scores well and leaves the box flat and smooth. We have taken him to town for the Cody Stampede 4th of July parade, carried flags on him at the Cody Nite Rodeo. 307-250-9655. Bueno
12 AQHA Grullo Gelding
Quarter Circle 4R Ranch Horses Cody, WY

Bueno fits his name he is just a good boy. He is super kind and wants to be everyone's friend and is very easy to catch. He is a fabulous trail horse that has also seen many miles on the ranch. He goes down the trail quiet and crosses every obstacle, creeks and down timber with ease. We have rode him in town and he is traffic safe. He has a good one handed neck rein, lopes around quiet and level headed and really stops nice on the hind end. He is the same horse every time you ride him even with time off. He gets along well with other horses and is great to bathe, clip, shoe and load. For more information call 307-250-9655. Moses
11 Grade Bay Roan Pony Gelding
Houck Horse Company N. Branch, MN

Moses is the type of pony that every kid in the world should get to ride. He stands 11 hands tall. He doesn't stand there and wait for you to go catch him, he comes to meet you. He is the kindest and most personable little horse in the world. He is so gentle and friendly that it is hard not to bring him in the house with us at night. The kids saddle him and bridle him themselves and off they go and we have never wasted a second worrying about them with Moses. We keep calling him a pony because of his size, however he is definitely a horse wrapped up in a midget package. Moses is the easiest dude in the world for them to ride and never gives a lick of trouble. The kids have pulled each other in the sled, chased and roped cattle, gathered and sorted on him. He is exceptionally good on the trails and goes absolutely everywhere with no refusal. Moses is traffic safe, dog safe, truck safe, we have even used him for Christmas parties. Can you tell we kinda like Moses! Please call 612-810-5455 if you have any questions about Moses. <https://www.youtube.com/watch?v=KNAPYGVZV4> Coggins.

Take a look at this cool colored gelding. He is a classic Champagne! He has conformation and wonderful disposition too that will make him stand out in a crowd. We purchased Colonel directly from the breeder last summer and he has been so good to work with. We have owned several 1/2 brothers to him and we have loved them all so when we had the opportunity to purchase Colonel we did. Colonel has the potential to make a top notch ranch, trail or arena horse. Colonel is very smart and picks up on new things quickly and always tries to please. He has been rode out checking fence and cattle. He will cross water, bridges, goes through all the trail obstacles easily. For more information about Colonel call 307-250-0900. NOTES: Gunpowders Pepto has been trail ridden on, moved cattle, checked fence, pasture roped, coon hunted on, etc. I have owned Red since he was a long yearling. I have done just about everything imaginable that you can do horseback. Anybody can get along with him. He has been ridden by kids and adults. He has been roping the hot heels and will drag his butt every single time. I've roped a few slow steers out of the box and he is ready to go. Red is very broke, big stopper every single time in any ground. Good pivots, soft in the face and can close any gate. Red can have long periods of time off and will ride off like he was rode yesterday. Red is a very high end rope prospect that will excel for you. He has never taken a lame step.
