Our Soundness Guarantee

We want you to **buy and sell** with confidence at Billings Livestock.

Credibility and Dependability are important to us.

At Billings Livestock Horse Sales, all horses that are ridden through the ring and sell as a result of being ridden through the ring, are **GUARANTEED SOUND** until Monday Noon following the Saturday Sale and Tuesday Noon following the Sunday Sale unless otherwise stated from the block. To further define our policy, if the horse sells at 6 p.m. on the Saturday of our sale, the horse will be guaranteed sound for an additional 42 hours - Noon on Monday. What we here at BLS Horse Sales consider sound is: Sight out of both eyes, good in the air, hit the ground sound on all four, and not to crib.

Your confidence in our sale does make a difference! See you at the sale - and remember - at BLS, We Like Horses!

ROPE, CUT, & RIDE!

Patches
05 Grade Paint Pony Gelding
Houck Horse Company North Branch, MN

38" tall. Patches is what every kid starting out needs. He is as quiet and kind and gentle as any pony around. He will come to the gate when he sees you outside. He is a very friendly pony. Lana can do whatever she wants on him. He stands patiently while she cleans all four feet, and she is very thorough. He stands quietly while she saddles him. He is great for the kids that don't know how to do that stuff because he is so patient. He has taught several kids the ropes of horsemanship. He walks and trots and lope very smooth and freely. He has a good stop and is soft in the face. He will ride in the arena as well as outside very quietly and comfortably. He doesn't care about too much at all. This is a great pony for kids to learn on as well as a great pony for the more advanced kids to do more advanced things on. He is a 3 time Idaho state high school qualifier in poles and won my daughter many buckles in junior rodeos. We are selling him because our daughter is now in college and there is no poles in college rodeo. The past year we have ran him in barrels at local jackpots. He is a horse that loves his job! He is an easy keeper and always good to be around. No problems around other horses. Loads, hauls shoes great. We have also used him in the mountains and for hunting and is fun to ride. He would be a great high school, junior high or junior rodeo horse. Coggins

She comes from Champion bloodlines going back to Jet Toro out of Easy Jet on her sire's side and Tipperary Shi Bars out of Shi Samba who won 4 all around saddles on her Dam's side. She has been started on barrels and poles at a trot but seems to prefer the slower pace. You can sprint her down the arena and when you stop her she is not excited as most horses are but will walk at her normal pace immediately. She would make a good 4-H horse. This is a nice little mare anyone can ride! We have tracked a lot of calves on her and roped quite a lot just in the arena. FCR ZIP N CUTTER aka Cutter is a very nice gelding with the size, looks and attitude that makes him a great horse. He is sired by the prominent rope horse sire ZIP LITTLE WOLF. Zip Little Wolf has sired many horses that have excelled in the rodeo arena. Cutter is a great horse that rides good and we have roped both ends in the arena; he is better on the heels and stays hooked with cattle and gives optimum position. Cutter has a lifetime of ranch work on his resume. We have used this gelding to ride health at the feedlot and he is extremely cowy; he reads and rates cattle as good as any horse that I have ridden. You can put him on auto pilot when he knows the cow that you need. Extra broke and desensitized, Cutter has had complete beginners ride him and he is the horse that we use when someone is learning to Team Rope. This gelding neck reins and yields to leg pressure. He is reliable and he helped us place at the MPRF Ranch Rodeo. http://www.youtube.com/watch?v=nLD7rbrOKgk&feature=youtu_gdata For more information call 406-403-8820.

Big nice roan gelding in the prime of his life! Super GENTLE! Chuck has been ranched on his whole life and is safe for the entire family. Nothing bothers this guy and he will go anywhere that you point him. He has drug calves to the fire and been doctored on. Crosses water and is good on the trails. My Sister rode Chuck all summer at the O-mok-see game days and he did all the events with ease and never got hot or silly acting. I have also flagged on him and you can drag most anything you can rope. He is one laid back and easy going gelding that is fun to ride and super willing to do anything that you ask. Lopes nice collected circles, knows his leads, works well of off leg pressure, has a nice one handed neck rein and will darn sure turn around. Side passes up to the fence or whatever for mounting. Chuck will meet you at the gate and can be caught anywhere. Stands tied, is good to shoe and just a pleasure to have around. Current on vaccines and worming. For more information 406-697-5882.

Been there done that tried and true ranch horse. Anyone can ride this one. Good to catch and shoe. Rides nicely in the bridle and has spent summers riding the cattleman's association. Ropes and pulls anything. We can't say enough good about this horse. Has a low neck and swings the reins and walks out great. Soft in the sides and in the bridle. He lopes very correctly and will hunt a cow. He can be ridden everyday or once a month and he will be quiet every trip. He has doctored tons of cattle and has been heading and heeling steers in the arena. He gets along well with other horses and doesn't mind being alone and is not herd bound or barn sour. He has packed big game and inexperienced riders in the mountains. Crosses water and isn't spooky about objects on the trails. This is a very nice gelding that would suit a lot of riders for a lot of things. For more information (208) 220-7411. Coggins.

Good gentle gelding that stands around 14.2 and is super broke. He was trained as a cutter but has not been cut on for several years. He moves off your legs, turns around and is a big stopper. He is our go to when we have kids or inexperienced people come over to ride. We have used him in the branding pen and he has limited experience breakaway roping and heeling. Steve works on a 5,000 head feedlot every day where he opens gates, gets down and cuts cattle when needed while sorting, works cattle, ropes and doctors. He is a no buck, every day work, good solid feet, 100% sound gelding. He is enjoyable to ride and is a quality broke, good using horse. Steve is very calm in the box, is always alert and tracks well on the heels. He has a light mouth and neck reins well as our 8 year old daughter enjoys riding him. Steve pulls our kids in a sled with ease. Steve is a calm, quiet gelding that was in the Bob Marshall for 2 weeks where he was at home on the trails and hobbled to graze. He's ready for a hunting trip as you can shoot off of his back repeatedly. Steve is current on all vaccinations, worming and has a current Coggins.

He has got a lot of cow in him, used sorting cattle a lot in an alley. You can rope off this horse outside as well in the arena. He is a nice horse to be around and do any kind of job you want. Playboy has been used at BLS in the yards for the past 2 months sorting cattle and loading trucks. He has also been to the feedlot riding pens and he knows how to work a gate. Playboy was used at the NILE in 2013 during the bull riding as well as at the Fort Worth Stock Show and Rodeo this year for clearing the arena and sorting stock. He is very cute and would make someone an outstanding heel horse or go to ranch horse. 14.3 hands. 406-425-0167. Coggins.
