This is a good solid horse that does what he's told every time you tell him. He doesn't buck no matter the weather. Has a good stop and will watch a cow. He rides in about any bridle and is easy to catch and be around. He has a good star as a 2 and 3 year old and then was turned out for a year. When we got him he saddled up and rode off like he has been ridden all his life. Good feet and strait legs. He stands 15.1 hands and has a good back and withers. We have used him to turn back in the cutting pen a lot and about anyone can jump on him to lend a hand. He has been packed on and we have roped cattle on him too. He really holds a cow when you need to doctor alone and will pull anything. He is strong for his size. Nice loper and correct about it all . For more information (208) 220-7411. Coggins.

Jango 6 year old ranch gelding well started on the heel o matic. Really watches a cow and has a big time stop. I have used Jango to gather rough country. A.I'd thousands of yearlings, sort pairs and have drug hundreds of calves to the fire. Goes through and across timber with no problems. Crosses ditches and creeks. This horse would make an excellent rope, calf or breakaway prospect! Good to shoe! 406-670-5037

This is Jaden's horse. Jaden has gathered outside on him, used him in the mountains, been to the cuttings as a turnback horse. Trained reined cowhorse, been shown, roped the machine a bunch on him, heeled 100 steers out of the box , really broke and honest. If you can ride, you can ride this horse. Nice, big beautiful buckskin gelding. Consistent 2D/3D barrel horse in large pen, 1D in small pen. Has been used at youth and High School Rodeos in barrel racing, flag race and goat tying. He is patterned on poles. Used to gather cattle out of rough country. Great to ride in the mountains or on a relaxing trail ride. Flagged many team ropings. Is very quiet and easy going. Willy is a proven winner on the thoroughbred racetracks. No injuries and raced sound throughout his whole career. After the race-track he was sent to California for 60 days professional training with a cutting/reining horse trainer. He is currently in training here in Montana for barrel racing and is being hauled. has all of the speed and athleticism needed to make a pro rodeo horse. Great disposition and has been quick to learn. He was started right and has no bad habits. Good to shoe. Willy is very broke, and light in the mouth. He has natural rate and is effortless in his turns. He is extremely quick footed and fast. Willy has a super sweet personality. He does not buck, kick or crib; he is just a strong runner with a long stride. He would make a great high school/college rodeo horse. Hauls, loads, and stalls great. Come try him prior to sale! NOTES: Onetime Starlight is the best all-around horse we have ever offered for sale. Bo was designed to be a good horse. Royally bred and been in good hands his entire life. Originally trained and shown as a cutter, He has also been used as a herd settling and turnback horse at major NCHA cuttings including Idaho Futurity, Wrangler Futurity in Calgary, and Western Nationals in Reno. Bo has seen extensive use on the Glennie Ranches and Cooney Ranches in Two Dot, MT, gathering, doctoring yearlings, and at the branding fire in big, big country. Shown in AQHA Versatility Competition. But the number one game for Bo is heeling. He is a top notch, big time, heel horse that is ready to go to the rodeos. He is a people horse, is the same horse everyday, no matter who rides him, no matter the job or competition. He is rock solid. Been ridden by visitors to the ranch on trail rides in the hills. Bo is extremely broke to ride, rides off your leg, big stop and turn around. Bo is bonused by perfect conformation, he stands a solid 14.3, weighs 1100, big foot, big bone, on a cowhorse body, all in a pretty pink roan package. Dinero is one extremely broke gelding who is also just as kind. If you are looking for a safe kid's horse, a first horse, or just a fun horse to ride Dinero is your guy. He is easy to catch, sweet to handle, no spook or buck. He rides easily off of your seat and leg but also has an excellent one handed neck rein. He's the kind of horse we enjoy to ride. Dinero is very cowy and will sure stay with one when you go to cut it out of the heard. He rides out side quiet with a group of by himself. NOTES: Hi Call is the coolest horse to own. He holds arena records and runs a consistent low 17 on standard patterns. Amos will not run by a barrel and is very easy to ride. My niece rode him a little at some little britches this year and placed in both barrels and poles. He could easily be a 19 second pole horse with a little time. Clocks low 20's with ease. He is very easy to run on the barrels, just send him. Amos is also a great breakaway and head horse will score all day long. I have ridden him miles on the ranch and drug calves to the fire on him. I would trust him with anyone. He does crib but that is controlled with a collar or just leave him out on pasture. He is sound and sane. I have a new set of clean X-rays available. He is a pleasure to own. I have an indoor arena to try him in. For more information (970) 580-9980.

Don't let his age fool you, to look at him he'll stand right beside a 6 or 7 yo with very little difference; he has a lot of good years left in him. We are proud to offer Pepper to you, he is the entire package. Brains, Beauty, Bloodlines, and Talent. We have so enjoyed training him and know that his future owners will just love him. This is a horse that can stand prosperity, lay him off and ride him when you have time. He really uses himself correctly, country covering walk, and has the smoothest rocking chair lope a guy could search for. Very broke, quiet to ride and just wants to please. A fancy fancy, heel horse, has natural rate, and really works off his hocks. Can take pressure and stays quiet. He is Paje's favorite to go and ride outside because of how smooth and ground covering his walk is. He will ride out alone and walk home without looking for friends. Crosses water, bridges and logs and is good with a slicker. Seem miles and miles on the trails, also in the mountains gathering cattle. He knows where his feet are and is sure footed. Gets along well with other horses, loads, clips, baths, and shoes. Pepper is a horse that is multi talented and can go so many ways. Come and ride him you'll fall in love. Guaranteed sound. NOTES: PG Jac Fire is an extremely talented 7-year-old head horse by the great PG Dry Fire. "Warden" is seasoned money earner at the rodeos, open and 15 ropings with myself and in the lower number ropings with my father. He scores, runs and can really face. Outside the arena he is just as nice. He travels well and can handle any job thrown at him. This is a great gelding that I am proud to offer. Buy him with confidence because he's correct in every way. Check out videos at or call me at www.jakestanleyroping.com (541) 379-3428.
