Honey Bear is a beautiful buckskin dun. She has a blaze and four white socks making her the one of prettiest ponies around. She does barrels, poles, flags and goat ties. She has been hauled down the road for two years and takes everything in stride. She has been ridden by all levels of riders and will only go as fast as you make her. She is stout enough that she can pack adults and she can keep up with the big horses. We have started roping and tracking a calf dummy on her and she takes it all in stride. She has been used to move cows and will really watch them. Honey Bear will go in whatever direction you want to go with her, she is pretty enough to go to the show ring or athletic enough to go on in the rodeo arena. She is game to do whatever you want to do. Please call after 4pm 406-855-5836 for more information.

Max
04 Grade Bay Pony Gelding
Lana Houck North Branch, MN

Here is an EXTRA special pony. He is a pony that we can say is safe for about any kid. Lana (she is just 4 yrs old) rides Max everywhere and has a blast. He will go slow, he will go fast, he will stand there all day and wait for her to get a pail grab the saddle however she can, kick, scratch and pull herself to get on Max. She can pull him around, push him around, jump on him or whatever else she can think of to do with him. She goes out to catch him in the herd, halters him by herself and brings him back. She picks all four feet and even tries to trim his feet just like Dad. We are very carefully what we let our daughter ride and we let her do whatever she wants with Max and we know he will be safe. Max will keep Lana occupied in the barn all day with us playing & riding this pony. <http://www.youtube.com/watch?v=xNrfsMhZLo> and <http://www.youtube.com/watch?v=YCa9B13YGBM> 612-810-5455 www.houckhorsecompany.com Coggins.

Been awhile since I have personally had a gelding like this one. He stands 15.3, weighs 1300 lbs, cinches deep, and is GENTLE everyday, every time. Ride him off on a loose rein. This is a big time, nice gelding. Head horse prospect. Started on barrels. All the tough stuff that most of us don't have time to do has been done - roped on LOTS outside, doctored, works gates, travels out with his head down and ears up, steep country, and best part of all he wants to do it. Great attitude, willing, show him once and he's got it, knows where his feet are, knows where you are, and pretty much knows where you are going. No hassle here. Saddle up, left side, right side, cinch him up, step on and go. No tugging, pulling, or riding you. Level headed and one good horse. Come try him before sale day. Video available. Excellent trail horse, easy to catch, shoe, trim, loads great! Was shown as a 3 year in Kentucky, when Taylor was 9 years, he would ride TNT Bareback with a halter. TNT is Jet Balck and will stay black. He has been at the Ranch at Molt moving cows, but where he excels is as a saddle horse. He has a wonderful gait. Come see him and you will like him. NOTES: BJK Dynamic Move is a bay 15.1, 1200 pounds brother to Rachael Myllimacki's Scottie. Doc is a member of the last foal crop of Doc O Dynamite. We have had him on the ranch his entire life. He has produced exactly what we were after, the Doc O Dynamite mind and cow, along with a little more size and speed. His mother Jasanjak, was daughter of Easy Move si 110 (World Champion) and a great producer. We owned 2 other stallions out of this mare and I know of 2 others. I have bred these horses so extensively that I need an outcross. I currently have 20 mares that are granddaughters of this mare (many on both sides). Doc O Dynamite was one of the greats in this part of the country, siring horses that could do it all, cutting, reining, roping and barrel racing. We have used this horse on the ranch a lot when not breeding. He is currently with Tim Styker who is using him, among other things, as a turn back horse. We regret having to sell him. He still has a lot of years left and hopefully will do as much good for someone else as he has us. 307-351-8666. Coggins.
