El Ray is a handsome buttermilk buckskin gelding. He is very clean legged, and well made built to hold up. He has been used extensively outside the arena on the ranch, branding, doctoring, gathering and sorting. He is very smooth and easy to ride all day, one that will help you to get a job done. Is a very quick learner and tries to please. He lopes nice collected circles, has a very smooth way of traveling and covering country. Has is soft in his face, has a good neck rein, and moves off leg pressure. El Ray is making a fine rope horse, both heading and heeling and has been hauled to jackpots. He is extremely flat and quick across the line and has a lot of rate, he gets a hold of cattle with ease and is super strong from the horn. We will be hauling him until he is sold. We have hauled him to rodeos and roped bulls and picked up broncs. Come and watch him in all the previews, he is a fun and good looking gelding. He gets along well with other horses, or is quiet if stalled or tied alone. El Ray is one everyone compliments on, he has an extreme amount of talent and is very good at his job. We guarantee him to be sound and he has no vices. We welcome you to visit our website for video information www.TurnerPerformanceHorses.com or phone (406) 381-2347.

Are you looking for a horse that is a seasoned head/heel horse, seasoned barrel horse, breakaway or just a horse that will work hard out on the ranch? Here She Is! A well built strong 2001 Sorrel Mare. This mare has been raised and enjoyed by our family. Dad takes her to the roping jackpots. Mom and the kids take her barrel racing. There isn't a day that if there is job to be done on the ranch we don't catch this mare to get the job done. Move cows, bring the bulls in, ride the fence, bring the heard of horses across the river, branding calving, sorting. Headed and heeled on, ran in the open and the youth for barrels, won money in all. Penny has also spent her time in the mountains during hunting season, will lead a string, pickets and hobbles. This mare is serious and ready to get your job done. For more information (406) 381-4535

From Quinton Taylor of Kaycee, WY's bloodlines, here is a good looking, well built, useful horse to have on the ranch, that can go to the arena and do about anything you are in the mood to do! Tim Stryker started her while he was training cutting horses in California and used her as a turnback horse. He brought her to me to ride for a while when he came to Montana, everyone fell in love with her, & she became a resident! One of Grandma's friends that comes to help us on our ranch occasionally gets along great with her, and she is his favorite. Mom has ridden her on the mountain, our hired man likes her the best, and she's a favorite of mine too. She is gentle but not lazy, very broke with a lot of feel, soft in the face and sides, big stopper, fun to ride all day, sort cattle on, rope and tag calves, or whatever else you have to do. She was heeled on most of last summer, I was breakaway roping some steers on her the other day, and she did great, and she cruises around the barrels and poles and really shows potential! She can run, and would probably make a really fun project for someone to go on with as she is full of try and really wants to work! About anyone that likes to ride a broke horse and has a job to do would love to have this mare. She is sound, smart and gives 110% to figure out what you want. I really don't think there is a hole in her and she has never humped her back as far as I know. Don't miss this one! Call me anytime if you have questions or would like to come try her! I will try to get a video up soon on youtube under wyodriftmares account but for sure before sale day! (307)620-5878. Coggins.

Gunner has been my son Derek's horse for the past year. He is a finished REINER with NRHA earnings. He has also been started working a cow as well. He is great at all his maneuvers, low headed, great leaded, good circles, good spins and a huge stopper and correct roll backs. Derek showed him at the County and State fair where he marked high both times. Gunner was also shown at the Cowgirl Queen contest. Extremely broke and safe for any level. He is also an exceptional trail mount, will go absolutely anywhere and go willingly. He travels 100% sound but will crib in his stall. Big, Stout, Good looking Buckskin gelding. Rocky is going to mature to be an excellent ranch horse with that gorgeous buckskin color. He is so he may be young but nothing bothers him. He is extremely laid back. Rocky has all the potential to go any direction. He is easy going but has athletic ability if you ask him for it. This pretty gelding has had a lot of miles on him for his age checking, gathering and sorting cattle. He has been used to wrangle in horse and ponies. We have rode him down the road and he is good about traffic and heavy equipment. He has been ranch roped on, and rode all over the mountain. Big, beautiful blue roan to boot. Gonzo is extremely broke and light since he was trained for reining in his younger day. He has a good stop, works off your legs and collects up nicely. He has done a little bit of everything; sort, open gates, drag calves to the fire and ropes outside. Also been roped on some in the arena, used on both ends. Gonzo has been in the mountains extensively and is extremely sure footed, has had lots of outside riding and can go all day. Easy to catch, load and shoe. This horse is a true gentleman and a pleasure to be around. For more information (406) 208-8995. Coggins.

Tucker is a real soggy made buckskin gelding. He has a real nice look and build to him, short back, not to tall but will handle any size job. He has some age under his belt to know what's up. He has a really good handle on him, will stop, pivot, and ride around correct. We have used him to pony colts and push cows. He rides good in the mountains and has seen many outside days riding. He is good looking and will hold up for a hard days work. Wants to be your friend, grab him get on him and go ride. Stands about 15 hands. Guaranteed Sound, Coggins and Health.
