## Our Soundness Guarantee

We want you to **buy and sell** with confidence at Billings Livestock.

*Credibility and Dependability are important to us.*

At Billings Livestock Horse Sales, all horses that are ridden through the ring and sell as a result of being ridden through the ring, are **GUARANTEED SOUND** until Monday Noon following the Saturday Sale and Tuesday Noon following the Sunday Sale unless otherwise stated from the block. To further define our policy, if the horse sells at 6 p.m. on the Saturday of our sale, the horse will be guaranteed sound for an additional 42 hours - Noon on Monday. What we here at BLS Horse Sales consider sound is: Sight out of both eyes, good in the air, hit the ground sound on all four, and not to crib.

Frosty is a unique dun roan gelding that has been used primarily as a trail horse in Iowa, Minnesota, Illinois and Wisconsin. He has proved himself to be very gentle and will go where4ver pointed. Ridden by an elderly gentleman. Frosty has also proved to us he wants to have some athletic ability as well, loping nice circles, good stops and wanting to be handy. Very gentle to ride and gentle to be around as well. 100% Sound. For more information email amyheitland@hotmail.com or call 641-420-0712. Coggins.

Artie" as I call him is a big stout, prime age, red road gelding. He has a lot of shape, cinches deep, and has a big powerful hip and hind leg with good feet and bone. Artie is currently shod with ice nails and gets around the ice and snow like a 4 wheel drive with studded tires. I have ridden Artie in indoor and outdoor arenas and have been putting the miles on him on the prairie north of Gillette and over on rough, icy trails in the Black Hills during the holidays. Artie easily loads in a trailer, lopes a nice circle, knows his leads, stops, backs up, rolls over his hocks and will side pass over and work gates. I have tracked cattle in the arena, swung a rope off him, drug railroad ties and waived a flag and rode him over plastic tarps. Artie has the tools to make a rope horse or with a little more riding and use he could become the employee of the month on a ranch. Artie is current on shots and worming and is 100% sound. Coggins.

Houck Horse Company North Branch, MN

Princess is a great pony for the kids. She is a pony that Lana will do anything and everything with and we do not worry she rides her all over the place, she pretends to trim her feet. She chases the dogs and goat with her. She goes out and catches her and halters her and brings her back to the barn. She does it all by herself. All we have to do is help her get the saddle tight. She is out in the barn everyday with us playing and riding this pony. Princess goes through water, rides with the big horses and is VERY quiet and gentle. <http://www.youtube.com/watch?v=uJjLbeGWT8s&feature=youtu.be> 612-810-5455 [www.houckhorsecompany.com](http://www.houckhorsecompany.com) Coggins

Cactus Jack is a 14.2 hand, extremely thick made and well muscled gelding. CJ is cuter than and button and has a personality to run for mayor. He is a very well rounded gelding, one you can throw the neighbors on when they want to ride, or load him up in the trailer and head home after a long day at the roping with a pocket full of checks. If you are just looking for that solid family or ranch horse, he has been our "go to" guy when we need one that is reliable. He will ride bareback with a string around his neck or saddle him up and go use him for the day. CJ is very smooth strided and can cover some country. He is very broke, but not too much for those novice riders. A horse that stays quiet and broke with time off, has been hauled and has seen the sights and sounds. CJ is a finished calf, breakaway and heel horse, lets you see your shot every time, gives you every opportunity to win, also been tied on to with lower number ropers. He will be previewed extensively along with having videos on our website [www.TurnerPerformanceHorses.com](http://www.TurnerPerformanceHorses.com). He has made a living on the ranch, along with in the roping arena, rides out alone, will hold a tough cow and let you doctor it. There is not one thing that this horse won't do and do it willingly. We welcome you to come and ride him, he is guaranteed sound and has no vices. For more info phone (406) 381-2347.

10yr old solid broke ranch gelding. He has seen everything on the ranch and does it all well. Storm is handy and athletic but has gorgeous conformation and color. He is built to last the way a ranch horse should be. Excellent bone, big hip and chest, short back and beautiful head. Storm is fun to ride and he rides the way a ranch horse should. Soft in the bridle, side passes, moves his and shoulders, stops hard on his hind end. He is cowy and will watch a cow when cutting one out or put you right where you need to be to rope one. Storm is an excellent partner to have on the ranch. For more information call 307-250-0900 To see a video of Storm go to [www.youtube.com/mcnabb3211](http://www.youtube.com/mcnabb3211) Coggins

I currently use "Rimrock" as a pen riding horse at the South Pryor Development Center where it sorts calves daily. He is current on all vaccinations and is sharp shod. There is absolutely no buck, great with his feet, cowy, loves people and easy to catch. After I started him as a 3 year old he was immediately put to work on cattle and as a 4 year old I started him on barrels. He is short backed with a ton of lateral flexion and soft at the poll. In the pocket he keeps driving forward, rates very well and exits fast. In 2010 I used him extensively on a 3000 head yearling job in Recluse, Wyoming where I worked alone. Rimrock had a lot of pasture roping experience doctoring cattle and traveling rough uneven ground. You can tie off on him to get whatever needs to be done. He is a performance bred horse with a ton of speed and a ton of experience that just needs to be taken to the next level. n (307) 371-0490. Coggins.

I raised this horse from a baby. If you can hold the reins you can ride him. He has never bucked. You can pile all the kids you want on him. This horse is trained to run barrels, poles, flag race, ribbon race and goats. I hate to get rid of him but he does not have the speed I need to compete at my level. He will make the best youth rodeo horse there is going down the road. I have packed him all over the country so he is pretty well seasoned. I have roped off of him some. So he needs work there. If you have a youth that needs a great rodeo horse don't pass this one up! He will make a champ of your kid! Come try him out and you will like him. For more information (406) 839-7378.
