**NOTES:** THR Hot Colored Poo is a laid back, no drama type of colt that we expected we would put on the track and then barrel race except for the sad passing of his dam POO CHENG. 30 days+ training, nice legged and great hooves and the perfect amount of white. Hottie should mature to 15.3. Used last summer as a colt 4-H project with some light riding in the fall and then ridden a couple of weeks prior to sale. He is in shape and ready to go to the track, use on the ranch or start your way on barrels. POO CHENG was a fabulous producer for us and gave us many barrel money winners such as THR SCORCHENG FIRE and THR JUSDA BEDA PERK as well as a barrel horse herself out running great horses such as RARE FRED and WHITEHORSESCANTJUMP, her futurity year. HOT COLOURS SI 102, stands at Myers Ranch along with Frenchman's Guy and is paid into many barrel racing incentive programs and has produced runners that have won over \$50,000! We are also selling a DASH TA FAME out of this nice mare. For more info contact: ZOE@THRHORSES.COM or cell # 503.812.0642 FMI (503) 815-2566. Coggins.

Amigo is a heavy boned and keen headed 15 hand sorrel gelding. He enjoys attention and has a very pleasing disposition. Bred to be the talented horse he is, by a son of Playgun and out of a daughter of Smart Little Jerry. Amigo has been ridden and used outside the arena on the ranch, worked feedlots, and ridden on the trails. He is very good with his feet in rough country, crosses all obstacles. He is quick to learn and gives you 100% all the time. In the arena he works nice circles has a collected lope, rides in your hand, side passes, moves his shoulder and his hip. He has been started heeling, will also make a GREAT head or a calf horse. He has a lot of cow, will move off your leg as to get a hold of a steer, already has all the hard work and fundamentals done. Very catty and really rides correct, gets underneath himself and uses his hocks. He is one you can lay off for periods of time, and he will stand at the gate when its time to catch him. **NOTES:** MP Frenchmansphoenix is a beautiful, super athletic mare by Sherry Cervi's "Dinero" LTE: \$400,000+ out of one of Potter's producing daughters of Lay a Patch. "Blanch" was our unanimous first pick of the 2008 Potter Ranch colt crop born at our place in Wyoming. Tim Stryker started her and put 30 rides on her as a 2-year-old. She was used on the ranch as a 3 year old enough but not too much, so she is sound. On the ranch she is gutsy and won't quit. I have had her in Powder River when it is so high she is about swimming, and in some rough country where she had to think to keep herself out of trouble. She is a soft sided, cowy, easy moving, big stopping mare that is lightly started on the barrels and handles herself easily in turns. The Dinero X Lay A Patch (Sire of Sherry's old grey horse Troubles) cross has been a powerful and versatile one with numerous top level winners in team roping, bull dogging, and barrel racing. Sherry's futurity colt she has been doing so well on this year is a full sister, and the other ones have gone on to be great barrel horses as well. Dinero is PESI, VGBRA, and now Future Fortunes so she can be grandfathered in to that program, and she is also eligible for the Potter Ranch Incentive program which provides huge bonuses to winners of certain futurities, team ropings, and calf ropings (see <http://potterranch.com/incentive.html>). Here is a 2006 mare, seasoned head/heel horse!! We have raised and trained this mare. Money earners on both sides, in cutting. Well built/well breed. She is fast across the line, has a lot of rate which lets her have a nice move out of the hole. When heeling on her don't be afraid to rider her high the mare really squares up and gives you a good shot. She has also been used out on the ranch as well, moving cows and branding. We really like this mare, she is ready to go in whatever direction you want she is broke. Nice to be around and will do what you ask. For more information (406) 381-4535. .

Magic is one of the most beautiful Appaloosa geldings that you will ever find. He has nearly perfect conformation with a full mane and tail. He is a Cadillac to ride and has the handle of one also. He is my dad's horse and he has decided that he doesn't spend time with Magic any more so he hates to see him sitting around. My dad says if he gets a notion to ride he said he will just borrow one of mine so Magic is to be sold to some one who can enjoy him. Dad has rode him on the wagon trains, down the paved road with traffic and out for trail rides. I have ranched on him he dose well at everything you ask of him. Patches

99 Grade Bay Gelding  
Darell Luther Forsyth, MT

Patches is a ranch horse from the word go! He's great for making the big circle, pays attention to cattle and you can steer him with one hand. He's a great horse in the calving pen, in the open or in the arena. He rides like he's got a job with absolutely no buck but a lot of gas. He's a going machine though so I wouldn't recommend him for kids. We're selling him because we tend to not ride much then ride lots of miles in a short period of time. When you put 20-30 miles on him over the course of a few days he tens to sore up in the front right leg so we won't guarantee him sound because of that. Otherwise if you ride shorter distance and more often I think he'd be fine.

Mandy was we call her is nice made, athletic, with speed to burn and the prim age. She will easily load in a trailer, lopes a pretty circle, knows her leads, stops, backs up, rolls over her hocks and will side pass over and work gates with ease. She has a one hand neck rein and will go where you point her. Well started in the heading end, she has a nice move and gets you right in position. Mandy is a nice barrel pattern and is ready to go to the jackpots; she is a free runner but still has more than enough rate and really wants to look for a barrel. Joci Campbell, Bridger, MT and "Brodi" a 95 Grade Black mare offered at our July 2011 sale by Judy Simonson, Loring, MT. Joci writes: "I can win money at rodeos or go ride her in the hills alone, a week after I bought her, I took her to the Cody Nite Rodeo and won the youth division on her, since then I have won over \$1,000!"

Duane Stellflug aboard his head-horse purchased at BLS in February 2011. Duane and "Docs Sierra Kid" won the National All Amateur at the Vost Arena in Billings on July 10, 2011. Winning the championship in the True Century Roping. Thank you for the opportunity to purchase "Kid". On July 10, Duane entered his first roping on "Kid" and won a beautiful GIST buckle and \$800.

Elizabeth French, Pompeys Pillar, MT aboard "Tee" have teamed up to win saddles, buckles, and all-around titles. "I am Elizabeth French, I am 12 years old, and a daughter of Jim and Debbie French, and I am from Pompeys Pillar, MT.

"I purchased my horse "Tee" at the BLS Horse Sale in March 2008. He came from the McGuire family from Wheatland, WY, and I know they consign a lot of nice horses in your sale." Debbie adds "Tee" truly has been a blessing to Elizabeth. They are a real team. He takes care of her."

Sara Tharp, Three Forks, MT, Last time I updated you on "Up The Creek". The TB gelding I bought last August out of the loose ring. At the time he was riding well but I was hoping to get him jumping. Well...he has exceeded my expectations and is doing fabulous. He is now schooling 2'9" and am hoping to start competing on him in July. He is not even close to reaching his limit. There are real gems hanging out in the loose pens and this is one of them. Hope you will enjoy his new jumping picture.

Cindy Pfeifer, Livonia, New York Just want to let you know how pleased we are with MJ Dunit "Woody" HIP #345. He has settled into his new home in New York State. We took him to a facility to work cows over the weekend. We were very pleased with his calm demeanor - he took everything in stride like a true seasoned horse would. He turned a lot of heads with his good looks, too! (Hip 345 in our February 2011 sale was "MJ Dunit" a 05 AQHA Buckskin Gelding x Hollywood Dun It and out of Catty N Classy x Tarris Catalyst. The horse was raised, owned and shown by Harvey Lewis, Livingston, MT)
