Freckles is a very CUTE 3 year old dun gelding that is really well broke to ride and has been started right. He rides very collected and is very soft in the face only needing fingertip control. He will move out with only the slightest cues from the legs and he will rate your seat and has a nice sliding like stop. He has very nice lateral flexion, will stand still for mounting, and will lower his head for the bit. Really most anybody can ride him, he'll ride off by himself, and if left out for a while, he will ride off the same. This cute gelding is still in 'In Depth' training and still will be up to sale day. He will have a nice neck rein, side pass, and turn around, and will be as bomb proof as a horse can get. He may only stand 14:2 hands right now, but he has a big heart and a lot of determination. He is the perfect size for children and adults. He has never offered to buck, has no vices, easy to catch, loves attention, and is nice to be around. He will have all the buttons to go in any direction you please. Any extra training will be demonstrated on sale day as well. This gelding has been trained using the Clinton Anderson Method of training and has been through the Fundamentals of riding and groundwork, through Intermediate and some of the Advanced riding. Sound, he loads and stands for farrier. For more information, pictures, and videos; please call or text 870-421-6846 or 701-207-0298. Coggins.

Titan is one of the sweetest horses you will meet. He is super kind hearted and just a super nice horse to be around. He was trained in western pleasure when he was young so he has one of the smoothest trots and lopes I have ever ridden. He rides very well off of your seat and legs, lopes out of his tracks smooth and slow, has a pretty stop, side passes, has good one handed neck rein and nice pivot. Titan not only is excellent in the arena he rides well outside. He is sure footed and travels out good. We have rode him for many miles all over the ranch, gathered, pushed, and sorted cattle. We have pasture roped on him, drug the feed sled in the snow. He is sure footed and solid in rough country. This winter we have been using Titan for riding lessons. He is so kind and forgiving. We have had people learning to ride bareback on him, they have fallen off right in front of Titan and he just stops immediately and waits for them to get back on. He has excellent ground manors, he is great to be bathed, clipped and stands quietly for the farrier. He will load in and back out of the trailer. Titan is a flashy, good looking horse that can go any direction, back to the arena, to the ranch or fancy trail horse. For more information call 307-250-9655. GENTLE, BROKE and BIG describes this 8 year old Red Roan gelding. Kip is the all around horse everyone is looking for. We've used him on a cow/calf operation going on 3 seasons where he does it all including sorting, doctoring, tagging, gathering and basic ranch chores. He's been rode in all kinds of terrain and weather. Kip has spent the last 2 winters in Vegas working in the arena. Kip can team rope both ends and run a nice reining pattern with flying lead changes. This gelding is GENTLE, SMOOTH, SLOW and has no spook or buck! You can take him anywhere and have fun and look good doing it! If you know TWO EYED JACK horses...He is a prime example of the breeding. Super temperament and gentle! Kip is the all-around deal. Use him in the show ring, trail courses, ranching or where ever! He is broke and will fit any lifestyle! NOTES: Tuff Shiners Glo "Big Casino". He is our guy, he is your guy, he is everyone's Mr Dependable. We have owned this horse for a long time and have literally hauled him from Border to Border. From using him as a turn back horse in northern Montana to buttons in central Texas. We have hauled him to USTRC ropings and World Series ropings and weekend jackpots in between. Big Casino has trailed cattle in both Texas and Idaho and knows how to watch his feet and do a job. He has never ever bucked, he stops and spins and really watches a cow. He would be great for dad to rope on. He handles in any bridle and we have won a lot of money heeling on him. He doesn't spook or hang back, paw or chew the lead rope. Scores like a rock and keeps his marbles about him in every situation. Big Casino has been in our program a long time. We are always always proud to ride him, rope, ranch or trail. He will be sold and whoever buys him will probably own him forever. Located at the Hulme Ranch in Graham Texas. Call 940 456 0876 for more information. Coggins.

This is a nice seasoned gelding that has seen the sights. We have carried flags on him at countless rodeos, used him on the ranch and sorted cattle on him. It is very likely we have packed him (in a string of black horses, it is hard to remember). He is built like one should be with good bone and a solid foot. Stands 15.1 with a good solid quarter horse build. He runs with the rest of our saddle horses and is an easy keeper. We are working on getting a set of younger horses put together and that is the only reason he is leaving. Shoes, bathes, hauls etc. Not broncy and has been to town many times over. Best of all, he is absolutely black! We know how hard it is to find truly black geldings and can say with confidence that this is one. We will gladly step up horse for the sale if you are in the area. Will have a new set of shoes before the sale. (406) 962.4347 Coggins.

He's a nice horse to handle, likes people, gets along with other horses, and is an easy keeper. Roan Dog can sit for extended periods of time and then ride off the same. He's been hauled to the jackpots all last summer and winter where he's been extremely honest and very competitive on both ends. Can run, rate, and face. Sugar Chick Lowry

SH Rodeo Man is a big bay gelding with a ton of shape. He is correct with good bone, hip and hind leg. Bay Man has been started under saddle and rides in or out of the arena. He is soft in the face and sides, takes everything in stride, is quiet minded and very willing. We had a full brother to him that ropes both ends and was awesome for day work and fun to ride. Bay Man is a lot like him and is very talented. He meets you at the gate every day, loves attention and is easy to be around. He loads and hauls great, stands tied without a fuss and is good with his feet. Sound. FMI 406-897-4717 videos on CS Performance Horses on Facebook. Coggins.

Fez

12 Grade Black Pony Gelding

Houck Horse Co N. Branch, MN

Fez is absolutely an extraordinary pony! At 12.1 hands tall, he is all gentleman, all the time. Our 9 year old daughter does everything and anything you could possibly do a horseback with him. She ropes and works cow with him, he is very safe and dependable for her to work cows. She rides him outside on the trails and he never refuses a thing for her. She has shown him in fun shows on Sundays and has been successful at that as well. Fez is a pony that can get turned out for a long period of time and come back to riding with no fuss. He is very, very personable with a top notch disposition. He is such a lover and truly enjoys attention. His ground manners are impeccable and the kids love brushing and grooming on him. He has absolutely no soundness issues and has great feet. This is an awesome little horse at a pony height. Here is the real deal head/ranch horse! Junior High/High School parents or someone looking for that nice honest rope horse take a look. Rooster is solid as they come! He is our go to horse for everything. You can head, heel, pick up, ranch, and breakaway rope on him. He scores solid, runs hard and flat. Good and calm in the box and easy to ride! He is Luke's #1 pickup horse too and Rooster loves every minute of it. We use him for everything from RANCH HORSE TO RODEO!!! He has been to RODEOS to JACKPOTS to PASTURE ROPINGS. He was even my good ranch rodeo horse this year too. Any level of roper can ride this horse from pro to beginner and will switch back and forward in the same roping and will work the same. You could go rope one and be 4 and then throw the kid on right after and he will run up on the hip and baby sit the roper! HE IS THE REAL DEAL. If you're looking for that solid horse that has been there and done that Rooster is your guy! Good to catch, shoe, handle, and be around. He is a cool horse and a lot of fun to rope off of! His success off the ranch includes placing at the NILE futurity 2016- 2017, placing in the Rancher Heritage show at the NILE 2016 and winning the 2 rein reined cow horse at Rapid City 2017. He has been hauled by Paul Greimsman in both heading and heeling. He's got a lot of speed and will rate a steer, quite in the box and will fit any level of roper. Watch him in the preview and you will see he has a nice move across the pen and is strong from the horn. This super all around horse stands 15.1 and weighs 1300#. He will be shown at this BLS sale and on his video by Paul Greimsman. For more information: Paul Greimsman 605-484-7117 Gary DeCock 406-342-5349. Coggins.

NOTES: Sadies Mighty Man "Pretty Boy." 15.2 hands and 1200 pounds. Red dun and very gentle. Used to ride around the ranch. He has a laid back personality and is mellow to be around. He has not been futuritized to no fault of the horse. The previous owner was laid up when he was 4 and 5 years old so she could not show him. He has just been rode and cared for. Saddles up gentle every time. Bathes, clips, and shoes great. Paid up in future fortunes. Barrel racing bred in the purple. Has been in training with Jerry Hanson for reining. Mary Burger won the world in barrel racing, set numerous records, and won over \$400,000 on Sadies Famous Last Words in 2016 which is a half-brother to "Pretty Boy." NOTES: Frostys Poco Pepper "Cooper" is an attractive palomino gelding by a son of Docs Jack Frost by Doc Bar that can do it all. Head horse, heel horse, breakaway, barrels, ranch work, stock horse, sorting/penning, etc. Cooper started his life as a cow horse trained by Teddy Robinson and has a lot of the bells and whistles left of that training. He has a big stop, will change leads, turn around, etc. As a rope horse he excels on fast cattle and knows his job. He is not a hot horse, but likes to run hard when it is time to and can take a lot of runs while retaining a good score. Even after a hard runner you can set your reins down and he'll walk. He has won money at the World Series and ACTRA ropings and helped win a year-end saddle. He has also quite a bit of earnings as a barrel horse. Yes, he is a 2000 model but he has the body of a 10 year old and mind of a 6 year old. Absolutely no soundness issues, no maintenance required, great feet and clean legs! Cooper has no buck, rear, etc. but he is a fairly sensitive horse when it comes to rider cues so he would work best with a low number roper who rode well or someone a bit higher numbered. I think he would also work for a high school or college rodeo horse in multiple events. UTD on dental, sheath, farrier, vaccines and de-worming. Video <https://youtube/uPUzKmfklsw> FMI 661-496-8729. Pepperoni is a good looking red roan gelding with a big hip and hind leg. He has a pedigree full of great horses and it shows. Pepperoni is talented and quick footed, lopes nice collected circles, soft in the face and rib cage, rides off your seat, and is very responsive. He has had some cutting training in his younger years and since been trail rode and used at some penning's and sorting's. Pepperoni is very smooth to ride, and has a nice ground covering walk. Chisum is a standout gelding combining athleticism, looks, confirmation, and a great personality! Chisum stands 15.2 hands, and is built to run! He is finished on the barrel pattern and ready to go be seasoned. Chisum has been entered at a dozen or so jackpots and is currently clocking in the 3D. Season him, for a few months and no doubt you will be in the 1D! Very solid and easy to ride. Will ride and warm up on a loose rein. Walks quiet into the alley, and will hang out by the arena all day. Arcs, counter arcs, rollbacks, know his leads and how to use his body in the turns. In addition to the arena, hes had many many outside miles in the mountains. Goes wherever he is pointed and crosses whatever is in front of him. Traffic Safe as well. Easy to shoe, load, clip, bathe, tie etc. Don't miss out on this super nice gelding, you will not be disappointed! I will continue to haul and enter him till sale day.
