CONSIGNOR: Tommy Thompson - (661) 496-8729

HORSE LOCATION: Wickenburg, Arizona.

VIDEO LINK: <https://youtu.be/rfDg9AEqTJk>

NOTES: Roy, a.k.a. Cowboys Bogie Jack is a 11-year-old black, foundation-bred gelding from one of the premier Blue Valentine breeders in the country. He has been used on the ranch and is currently a head horse that is also good to heel on. He's been in professional training with us for the last four months and is currently being jackpotted on. This horse is completely sound and has never had any health issues or injuries. He rates cattle well, he is easy to catch on, and easy to heel behind. He can run, is strong at the saddle horn, and can face. As a heel horse he gives you a nice shot and parks it. He is a durably made horse standing 15-15.1HH, 1175 lbs; he's got good bone and solid feet, wears 0 shoe and has clean legs. This is a really nice horse with a good handle, he's very broke, but he can get fresh with time off. He is not counterfeited about it. I make sure to warm him up well and breeze him out before the first steer if he hasn't been used in a while. He's been ridden outside, is not spooky or reactive. He has a friendly personality and is a fun horse to ride. I'm happy to answer any questions you may have and help arrange transportation if needed. He does have a small cosmetic scar on the outside of his right hind fetlock.

Tex is a 2020 registered GVSH that stands 15.1 hands tall. We started him out under saddle and he has been a dream to work with. Tex is going to be a great all around horse. He has a solid foundation on him that allows him to go anywhere with his career. We pony colts on him, move cows, trail ride him in a group and alone and he is always willing to work no matter the situation. We have put him through our rigorous obstacle course, and he did amazing. Tex has been down busy roads and passed big trucks, and doesn't even lift his head. He will cross bridges, tarps, and creeks. We have snapped the whip standing up on him and also shot clay birds off his back with a shotgun. He will stand for clipping, baths, and the farrier. We have him started riding bridles and he is very quick about learning. He will collect up and be soft in the bridle. Tex will also drive in the cart on the road or through the woods and does great with both. Tex will catch peoples eye with his unique color and his two blue eyes he has. Tex is out in the pasture with a mixed herd. He has no bad habits or vices.

I have intermediate riders ride him in my group riding lesson program. Ridden inside and out of the arena, crosses water, can swing a rope on him. He has tracked the Heel O'Matic and live cattle, has breakaway roped a handful of live cattle, it would not take much to get him going in team or breakaway roping. He stands at 15.2 hands tall. Unfortunately, we just haven't had the time to haul him much, so he definitely could use more miles going to new places. He is kind and willing, with a sweet personality. CONSIGNOR: Ashley Owens - (801) 920-9494

HORSE LOCATION: Eden, Utah.

VIDEO LINK: <https://youtu.be/FJ2IHTtj8FU>

NOTES: This nice, stout gelding stands 15.2 hands, wears a size 2 shoe, and is built to go all day. He is easy to catch, saddle, and haul. He's good around dogs, flags, farm equipment, and he goes nicely on the horse walker. He has been used primarily as a ranch horse to sort and tag calves and check cows. He also has a good start in the arena loping circles and tracking the roping dummy. He was previously purchased at the Billing Livestock Sale, but is too much horse for our 12 year-old daughter. Although he is versatile and a fast learner, he is not recommended for a beginner; he's best suited for an experienced rider who can give corrections when needed. With his size and endurance, he can continue to be used as a ranch horse, be added to a pack string, or finished out as a heading horse. Vet exam recently completed. No soundness issues. The left front hoof turns in very slightly but does not affect him. UTD Coggins. The seller is willing to keep for 10 days after sale and willing to travel 150 miles to meet buyer at no charge.

NOTES: Kevin stays gentle with time off and has been ridden by novice riders. You will see in the video that he has been exposed to actual ranch work and a little play time. He is good for trail riding, handles rough terrain, and cruises right through moving water. He would make a good addition to the family or has a strong enough foundation to go right to work. You might even consider him for the Rope Horse Futurities. Has never had soundness issues and no vices. We have a lot of rocks so we keep him shod on a regular schedule. He is a perfect gentleman for the Farrier. Loads with a ramp in the slant trailer or jump him on the back of the halftop. Kevin is towards the bottom of the pecking order with our other ranch horses. This young man has a bright future. We are only 33 minutes from Northwest Arkansas National Airport and I would encourage you to come take Kevin for a ride. 2 weeks of free board are available if needed while shipping arrangements are made.

HORSE LOCATION: Virgin, Utah.

NOTES: Tiny is a tested, tried and true draft cross ranch gelding. He has done all facets of ranch work, roped bulls, doctored cows, and calves will hold rope tight and has been used regularly as a ranch gelding for the past year as my go-to horse, and I spend almost all day every day in the saddle usually cowboying. You will not show Tiny anything he has not already seen. Not only is Tiny a ranch gelding he will impress anyone in the arena. He gallops collected circles, has a big stop, will spin, is soft in the face and works off leg pressure. He is not ready for a beginner yet but has the temperament that he likely will be with a little more time but should be suitable for an experienced intermediate rider. Tiny is honest and knows what a long day of work is. Tiny is a once-in-a-lifetime horse. He is better in person than he looks in his video, good to shoe, easy to catch, will stand tied, and is not herd or barn sour. Feel free to come and ride him. HORSE NAME: Steel My Heart

AGE/COLOR/GENDER: 2010 GRADE Grey Mustang Mare

CONSIGNOR: Mountain Sky Guest Ranch - (208) 661-3542

HORSE LOCATION: Emigrant, Montana.

VIDEO LINK: <https://www.youtube.com/watch?v=NUXMtsOTRpk&t=233s> & <https://www.youtube.com/watch?v=NUXMtsOTRpk&authuser=0>

NOTES: Check her out! Steel My Heart is hardy, strong built and nice looking! We enjoy her responsive and forward moving nature which makes her eager to get a job done while being extremely smooth to ride. She has been a low-maintenance member of a large herd, getting along well with other horses and staying out of trouble. In 2016, she was the Mustang Magic Champion at the Fort Worth Stock Show & Rodeo with Wylene Wilson-Davis. You'll have to watch the video of her run, it's an impressive feat for a young mustang! Since then, she has been ridden lightly and therefore best suited to an experienced horse person. We have not seen any buck, kick, or rear from her but she's quick and catty and will do best with someone who's handy. She can be tricky to catch in a big pen but loves a treat and warms up quickly. She has great feet and is an easy keeper, up to date on wormer and vaccines. Her sensitive nature does not make her a good candidate for our guest ranch, which is why she is ready to find her person. She sells sound with no known health issues and we can hold her at no charge for 10 days following the sale until pickup.

HORSE NAME: CR Jacks Pretty Girl

REGISTRATION NUMBER: AQHA #5576373

AGE/COLOR/GENDER: 2012 AQHA Palomino Mare

CONSIGNOR: Tommy Thompson - (559) 936-1633

HORSE LOCATION: Wickenburg, Arizona.

VIDEO LINK: <https://youtu.be/CKJGIhgQN6E>

NOTES: "Sister" a.k.a. CR Jacks Pretty Girl is a stout, durably-made horse standing at 15.1-15.2hh, weighing 1200+lbs. She has a lot of bone and good feet, wears an O shoe. Sister is primarily a head horse/barrel horse. She's a big, powerful mare with a lot of "go," but she's not crazy. She was sitting in the pasture for quite some time due to this, but she's been in training for a tune-up and fitness with my assistant trainer for the last 60 days. This horse is completely sound and has never had any health issues or injuries. She does have a large sorrel-colored birthmark over her left flank. She is a nice mare who is quite broke; she had no buck at all when we saddled her up for the first time with a lot of time off and we didn't warm her up at all. She's been ridden outside and is not spooky or reactive. She's gentle, but because she is very forward I would say she's not a good fit for a timid rider. Her outstanding breeding and conformation also makes her an excellent broodmare candidate. I'm happy to answer any questions you may have and help arrange transportation if needed.

REGISTRATION NUMBER: None Sells Grade

AGE/COLOR/GENDER: 2010 Grade Sorrel Gelding

CONSIGNOR: Mountain Sky Guest Ranch - (360) 298-1275

HORSE LOCATION: Emigrant, Montana.

VIDEO LINK: https://youtu.be/bml-pWw_Z8w

NOTES: 14.3hh. We can all appreciate a handsome sorrel! He has been used on all aspects of our guest ranch; gathering horses in the morning, leading trail rides in steep country, flagging horses, moving cows on pasture and in the arena, he's done it all for us! Junior is smooth and has an agreeable nature. Tarps, flags, and rain jackets are no bother to him, he is brave and confident. Junior is laid back on the ground and forward moving under saddle with a light mouth and responsive body. He's super fun on the trail and always has his ears pricked to see what's around the next bend. He is in his winter woolies now but sheds out into a stunning red with a luscious mane and full tail. In our large herd he takes care of himself well and stays out of trouble, an easy keeper and easy to be around. We enjoy riding him any day of the week, cold early mornings and after time off included, he rides off just the same. He loves people, is easy to catch and really wants to please, but he's a little too much horse to make it in our guest string, and we'd love to see him go somewhere where he can be ridden consistently with soft hands. He stands on clean legs with no notable blemishes. Check out his video after being off for a few cold months, you'll see exactly who he is: a kind gelding with a good heart. He sells with no known health or soundness issues and we can hold him at no charge for 10 days following the sale until pickup.
