Welcome to the Big Sky

 It's one BIG day of horse and tack sales in Billings, Montana

Tack and horses, too! A "fun" sale day is waiting for you at Billings Livestock on January 25.

We kick off our first sale of the year in a "SOMETHING FOR EVERYONE" fashion!

We've added an indoor, climate and ground controlled preview on Friday afternoon beginning at 3 p.m. at the HorsePalace Arena. YES - we believe in previews and want you to shop the horses. It's important - and - we are going to make that available at 100% of our BLS Horse Sales! It's part of what we offer - it's part of that "extra mile". Won't you join us?

Loose horses sell at 8 a.m. followed by our "Cabin Fever Tack Sale" - collectible and used tack.

It's a treasure chest of fun "finds" for both the using horseman and the collector. You know - one man's junk is another man's treasure.

Come see for yourself. AND - bring along your own used/collectible tack and turn it into cash - we'll accept tack right up to sale time.

We'll sell tack prior to the catalog horses - check our website for tack updates.

The earlier tack will be displayed in the lobby at BLS on Friday afternoon and again on Saturday morning.

We'll move into the catalog horses immediately following the tack - approx. Noon to 1 p.m.

A nice variety of horses offered this month including performance horses, geldings right off a day's work, prospects, Ponies, mares, ...more, more, more!

Enjoy your Saturday with us - we are glad you came.

Transporters/haulers can be arranged, along with insurance on your purchases. Just ask at the office, or give us a call in advance, we'll be glad to help you.

We look forward to 2020 with enthusiasm and opportunity in the horse business.

We invite you to enjoy the difference at Billings Livestock - we want to be your sale of choice whether you are buying or selling.

Keep up with the news at www.billingslivestock.com and - find us on FACEBOOK!! "Billings Livestock Horse Sales".

NOTICE • NOTICE • NOTICE

At BLS, we are licensed and bonded both Federally and with the State of Montana. Due to Federal requirements, tack purchases will need to be paid for separately from your horse purchases. Thank you for your cooperation.

Our Soundess Guarantee

We want you to **buy and sell** with confidence at Billings Livestock. **Credibility and Dependability are important to us.**

At Billings Livestock Horse Sales, all horses that are ridden through the ring and sell as a result of being ridden through the ring, are **GUARANTEED SOUND** until Monday Noon following the Saturday Sale and Tuesday Noon following the Sunday Sale unless otherwise stated from the block. To further define our policy, if the horse sells at 6 p.m. on the Saturday of our sale, the horse will be guaranteed sound for an additional 42 hours - Noon on Monday.

What we here at BLS Horse Sales consider sound is: Sight out of both eyes, good in the air, hit the ground sound on all four, and not to crib.

Your confidence in our sale does make a difference! See you at the sale - and remember - at BLS, We Like Horses!

This 9 year old buckskin gelding is a terrific horse. He will ride where he is asked, neck reins one handed, lopes collected, takes both leads and will go wherever he is asked. Carl would make a great trail horse and has even done some ranch work. He is not afraid of cattle, traffic or anything else. Carl is a terrific gelding and is very fun to ride. He stands 15.1 hands. 641-485-5058 Coggins.

This mare is out of a 1/4 percheron mare and a paint stud. She is not for beginners but is not a bronc by any means. She has been roped off of and used in the feedlot and in big country. She has a very smooth trot that can be held all day, and can cover some country. Coggins.

Cowboy Candy
12 Grade Palomino Paint Gelding
Tut Hart Billings, MT

Stands around 15.2 and he is sweet to the eye! A ranchers horse that will get you noticed no matter if you are headed into the hills to gather or headed to town for a parade! A great disposition, easy going manner, he is the first one to meet you at the gate if he hasn't already beaten you there. Bathe, trim, crawl all around, he just takes it as an everyday thing. Throw the halter rope on his neck, slap him on the butt and he goes right into the trailer. An eager beaver wanting to get the job done. We bought him to start using on cattle - both pasture and pens - but with my recent injury, he will just get wasted waiting for me in the pasture. Call or text 406-672-4348. Coggins.

Wowk Ranch Ltd Beauvallon, AB; Canada

Mike and Matt are a super pair of percheron/quarter horse cross geldings. They stand 15.2 hands, weigh approximately 1250 lbs, and have a size 2 foot. They are the perfect pair for someone needing horses to pull a load, but that are of moderate size. We have used them all over the ranch and they will pull every bit of what a big horse will. They have been around town, really swing either way, and stand all day. One man can hook, drive in straight bits, and have good barn manners. This team is wide awake, but very broke. Balto is a true, blue roan pony!! He is as wide as he is tall and looks and rides like daddy's big horse. Balto was my 6 year old granddaughters pony all summer. He rides and he drives. He will go absolutely anywhere you point him. He leads and he will follow. He does walk, trot and lope. He has good brakes and also backs up. We have exposed him to pretty much anything and everything you could expose one to. He lives in any conditions. He will stand quietly all day. Prior to us he was a small Amish boys pony so he was rode to school daily so is traffic safe. If you aren't comfortable turning your child loose in the big country, he has been pointed as well. Balto has been a fun pony for my granddaughter to play with. I've never worried that he would hurt her or do anything silly. We have owned Fritz since he was a weanling. He is the most gentle and easy going stallion we have ever had around. He lives with geldings and other studs when he isn't with his mares and he never causes any hassle even when there are mares on the other side of the fence. We broke Fritz as a two year old and he was one of the easiest ones we have ever done. He was super smart, willing and easy to train. He passes on his wonderful disposition to his foals along with shape and color. Fritz will throw you a rainbow of color in your foals from palominos, buckskins, duns, roans and champagne. Are you in search of an absolutely one of a kind, simply stand out in the crowd kind of prospect? Well, if you are, we would like to introduce you to Creed. He is loaded with class, style, charisma, and presence. He is strong boned, straight legged, good shouldered, and deep in the heart. He is bred to excel at the cow horse events, and has the ability to make you a very nice all around individual as well. His genetics include the following, Cougarand, Peppy San Badger, Sonny Dee Bar, and Skipper W. To date he has been exposed to the following. He has recently been body clipped, so his base coat will be a shade darker in a couple of months. I did not get all of the hair clipped on his lower legs, so that is why they are darker than his body shade at this time. He is currently double blanketed in my barn at night along with his neck cover to keep him warm. Creed is a pretty, sensitive feely kind of colt, and is very aware of what is being asked of him. He responds well to all types of pressure, and looks to you to be his leader. His mother is 15.2, and I believe he will mature to that height as well. This is a very fancy coming yearling stud colt, sporting that super unique classic champagne coat color. He has a very bright future ahead of him. We think you will like him. 307-851-1404. <https://www.allbreedpedigree.com/illshowyouhowitsdone> Coggins.

Slider is a 9 year old AQHA bay gelding. He stands 14.2 hands tall. He is sound and clean legged. He is gentle and sane. Slider is very broke and has a nice one hand neck rein he had been used in high school rodeo for barrels, poles and breakaway. He has also been for team penning and sorting. He will really watch a cow and knows his job. He has also been lightly started on heeling in the box. Very nice all around gelding that can go do anything that you would want to use him for and gentle enough for most anyone to ride! 605-370-4644 Coggins.
