# Welcome to Cowboy Country!

## and welcome to Billings Livestock Horse Sales!

Most all of you know our April sale is my favorite. I love roping and roping horses and that is what April is all about.

This month has it ALL in the rope horse department...from horses to start out your roping career to those who will take you to the paywindow at PRCA rodeos, we got it going on in Billings, Montana.

And you can watch them all go in our Friday afternoon Sale Horse Jackpot at Miller's Horse Palace. It's enter at 1, rope at 3.

About this time of the year in 1985, I helped Dee Pickett with a roping school in Lander, WY.

There were two brothers at the school and I am guessing they were 13, 14, or 15 years old at the time. Their mother had brought them to the school and they were all into riding and roping.

When we left Lander, headed to California for the spring rodeos, Dee Pickett said to me "You will read about those Johnson boys."

On Friday, April 24, compliments of Billings Livestock Horse Sales, we invite you to attend a roping and horsemanship seminar with Justin and Jhett Johnson.

If you want to improve your roping and riding skills, plan on attending, it's free and I promise you will learn something from two of the best in the roping and rope horse business.

At BLS we also know the importance and power of previews and the opportunity to show the horses - in whatever their discipline. We rope, we ride, we rodeo, we show horses, too. WE want to see them so we know YOU want to see them, too.

So...this month, we are adding a special BARREL HORSE and CALF HORSE preview on Friday afternoon, immediately

©willbrowster.com 2011

following the seminar, at 2 p.m. This special performance preview will also be at the HorsePalace. Good ground, good set-up.

**BOTTOMLINE** - We like good horses. We know you do, too. And we know you want to see them, because we do, too. That's the difference at BLS. Previews are priority - they are important to us and to this sale. Join us!

We want to be YOUR sale of choice - buying or selling. Come see us.

## Our Soundness Guarantee

We want you to **buy and sell** with confidence at Billings Livestock.

### *Credibility and Dependability are important to us.*

At Billings Livestock Horse Sales, all horses that are ridden through the ring and sell as a result of being ridden through the ring, are **GUARANTEED SOUND** until Monday Noon following the Saturday Sale and Tuesday Noon following the Sunday Sale unless otherwise stated from the block. To further define our policy, if the horse sells at 6 p.m. on the Saturday of our sale, the horse will be guaranteed sound for an additional 42 hours - Noon on Monday.

What we here at BLS Horse Sales consider sound is: Sight out of both eyes, good in the air, hit the ground sound on all four, and not to crib.

**Your confidence in our sale does make a difference!** See you at the sale - and remember - at BLS, We Like Horses!

## ROPE, ROPE, ROPE!

Watch those sale horses in competition!!! Skip the guess work, come see for yourself!

03 Grade Bay Pony Mare

Colby Gines Powell, WY

We have had this pony for 4yrs. My two boys have rode this pony all over. She is gentle and is a real fancy pony. She is for kids that have rode some but she is gentle for all kids to be around. She is broke very well and has not offered to buck or run off. We have used her for our pony lead at our summer time concession. This pony is known worldwide. The boys use her to jump over jumps to practice their steer riding. She rides bare back and is easy to shoe. She would make a good little Jr rodeo horse. She has some go but will ease around if you want her to. Taylor is a quarter horse type pony and has tons of confirmation she would be great for 4H. She lopes nice circles and will take her leads. Blue is a 7 yr old big stout blue roan gelding. Blue has been used by the whole family, shown at the county fair and won Reserve Champion by my granddaughter. Blue has had a lot of ranch work done on him. Put him in the sorting gate and let him work or go rope you one outside. Blue is really making a nice head horse. He is good in the box, scores, runs and has a good move and face. Will have been hauled to several jackpots before sale day. Gentle. Videos. 325-451-0422 Coggins.

CoCo is a solid finished breakaway, goat tying, and headhorse. She has been hauled all over to numerous high school and college rodeos. She knows a days work on the ranch, she is my go to mount when branding seasoning comes around. She has drug many calves to the fire and has been used to doctor cattle outside. Take Coco down the road to some more high school and/or college rodeos to win or take her back to the ranch and let her make your job easier. Coco has been spayed, so there are no "mare issues." Coco is super gentle would be ideal for a kid that is just starting to learn how to rope or goat tie. She has seen many sites, knows what to expect being hauled. Don't let this one pass! Howdy is a very fancy black and white gelding. He stands 14.2 hands, and is well put-together. He was used in the Tulsa stockyards penning and sorting cattle, along with some breakaway roping. I've recently finished him in the arena - he lopes circles, stops on whoa, and is soft and responsive. Has been out of the box, and drug logs. He would be a very flashy high school rodeo or flag horse, or put him to work on the ranch. Quiet, stands for the farrier, all around good to handle. Up to date on his vaccinations for the year. Pepto is a fun horse to have on the ranch! We spent many summer nights last year riding Pepto into town with the kids. He is at ease on the trails and nothing fazes him. He rides out on a loose rein, will go as slow or fast as you want, crosses water and is traffic and road safe. Pepto not only excels on the trails he is a great arena horse as well. Our family has won several buckles and checks on him at local ranch rodeos. He won't be out run by a calf down the fence, he stops hard and can turn inside out when needed. Pepto is handy with a rope as well both in the arena and pasture. Pepto is a cool horse that you feel safe and confident on both in and out of the arena. Sound, for more information 320-905-3914. Dexter  
05 Grade Black Pony Gelding  
Jennifer Hart Billings, MT

If you have an extraordinary child, then Dexter is the extraordinary pony for you! Dexter has the speed to make a good little barrel or pole pony and the brains enough to know his riders capabilities. Dexter is by no means a deadhead pony but neither is he fire on wheels. He just wants to go too much for our 2 year old grandson who just needs a pony to sit on or we would keep Dexter for the rest of his life. He will follow right along with the big boys without having to be led because Dexter can WALK! He might only stand at 50 inches but he has a heart as big as Texas. He can go all day and play all night! Dexter has been around cattle, was actually used in the stockyards penning back cattle bigger than he is, sidepasses, stops, knows his leg cues. Has even been used as a lesson pony back East so he knows his cues and calmly tolerates being pulled on and played with by novices. Loads, clips and works well with farrier. He LOVES attention especially getting his mane and tail played with. ONE AWESOME PONY!! Text or call Jennifer at 406-200-3116 if you want more info on Dexter. Current on worming. More video and pictures to come soon.

Windsor is a very pretty palomino gelding that is on the right track for this year's barrel futurity's! He is well patterned and has been hauled to barrel races and exhibitioned, but never entered. Windsor has been brought along slow and correct, he is not blown up and has an excellent foundation. This is a very fun colt to ride, he has a ton of talent. Windsor is good with his leads, lots of feel, has all the bend and flex that you could ever want, and is a huge stopper. He sheds out to be a beautiful golden palomino! Windsor is big enough and has enough talent and try to make a top end head horse as well. Very nice gelding that we bought from the lady who raised him and I have personally patterned and hauled! <https://youtu.be/tNpV8iWw1st> UUU066HwNEjHACgJJDHWA. Sound, current on deworming, shoes. Really nice finished heading and heel horse that works well on either end. Has a lot of rate and speed. Can get around the corner and sets up nice to heel on as well. Good in the box and is great to haul. He has a lot of pull from the horn and really runs to cattle nice. He has been hauled to several week-end jackpots and has won several checks. He is really nice to use on the ranch for all the daily chores as well. Good minded, solid horse. No bad habits and a true gentleman to be around. Coggins.

Doc is a beautiful, red roan gelding that already stands 15.2. He is well put together, with a lot of foot, bone and shape. Doc is gentle and a pleasure to be around every day. He is fun to ride with a nice lope and willing attitude. Doc will stop hard, and pivot correctly on his hind end. He is soft in the face and will move off leg pressure. Doc has been rode outside to check pastures. We have also started tracking the heel-o-matic, and some steers in the arena. With Doc's pedigree, mind, and build he will grow into a top rope or ranch horse. Don't miss this athletic young prospect that has his whole life ahead of him. Peppy Irish Blue is a gentle, good looking 10 year old ranch horse. She is a beautiful dapple gray with a big hip and pretty head. Chase Gauger started her on heeling and flagged lots of ropings on her. She has since been hauled to different arenas and used as a practice horse. She is very well broke and we think she is ready to go to some jackpots. She has also been patterned on the barrels. She has been behind lots of cattle in the hills and to some brandings and shippings. Excellent ranch horse. 100% sound, no blemishes. Find her video on Facebook or YouTube at Rockin 7 Ranch Horses. ROJO is a 2007 reg. Red Roan gelding. He is a big hipped, thick made, eye catcher. 15 1/2- 15.2, #1200+/- Born, bred and raised on the famed and historic HAYTHORN RANCH, in Arthur, NE. When Craig raised and branded this gelding, he'd created an exceptionally nice gelding. Tanquery Gin on top, Colonel Freckles on bottom with a double of Eddie Eighty. A true foundation bred athlete. ROJO will really watch a cow, 1000's sorted and 1000's roped and doctored outside. Really run to stock, sit down, drag his butt and has ripped #800 cattle over backwards. Drug tons of calves to the fire as well as caught and loaded MANY wild cows and bulls into the trailer. Very stout to the horn. Been hauled and competed on since he left the HAYTHORN RANCH 3 years ago at Men's as well as Women's ranch rodeos and judged and flagged off of as well. Used on wheat pasture, feedlots, prowlin', and at sale barns. ROJO is tried and true working horse. ROJO is really broke in the bridle, good to shoe, sound, and excellent around working cow dogs. Will show in rope horse demo and jackpot as well as shown on cattle day of sale along with video. More info or questions please call Jim @ 325-205-0477. Coggins

10 year old buckskin gelding been on the ranch. He will go through water or over any obstacle. Moved cows, sorted pairs, tagged calves, pulled the kids in the sled this winter. Wants to be a pet, rides off better alone then with a crowd. He would be fine for small kids in the corral, but is too much horse for the beginner when riding out. Buddy Blue is an eye catching, solid, big hipped, true blue roan with black points gelding that is the prime of his life who has not been passed from owner to owner to owner. His sire goes back to Plenty Try, one of the best offspring of Gooseberry as well as to other stallions with Superiors in Open Heading and Heeling. Dam side goes back to Peppy San Badger as well as another solid breeding program with Sugar Trix Leo from the Bartlett Ranch. Parkers Eden Star from Paul Parker/Jim Odle is where Buddy Blue gets most of his refined looks and kind disposition. He is a people pleasing big boy. Big Buddy Blue was started easy so his mind and body are dependable to do a good days work off of. His legs are clean and are as strong as an oak tree with good hard black feet that are easy to trim and shoe. Blue has had some practice backing into the box but has not been competed on. Blue has had calves drug to the fire off of him as well been on the dummy so he is in no way a stranger to a rope. Moves off your leg, side passes, has a good handle, knows his whoa both through the seat and verbally. Blue has had only a couple owners, but has been ridden by multiple riders. Blue was originally purchased to be a hazing, bull doggin horse but he grew into his 15.3 frame and is a little slower than we like for the high dollar competition he was bought for. He would make a good Jackpot horse. Big Buddy Blue would be a solid addition to any ranch. Use him in the day time for ranch work than take him out at night for the ranch rodeos; he will quickly become your go to horse. Current on worming and shoeing. Keep checking back as we will be adding more video and photos as we get him shed off or we can text or email you what you would like. Call or text Jennifer with more questions or to see Blue in person at 406-200-3116. Coggins.

This big good looking GENTLE gelding has it all, brains, beauty and talent. We are big fans of the Docs Oaks because of those reasons. Has exceptional conformation and a big mane and tail. Extremely broke, neck rein, has a collected lope, lead change and will drag his tail when he stops. Opens and closes gaits, and will really watch a cow. Has been used to doctor, brand, gather and sort on the ranch. Will cross water, bridges and logs with ease. When you're finished hop on him bareback and take him for a swim in the river. We have taken our time to assure and promising career in the roping arena, both heading and heeling and calf roping. When seasoned he is going to fit all numbers, long and short barriers, can mortally fly and rate off, a sweet move and can face. Hauled to NTRL, USTRC and open ropings. He's got it all whether you want to compete and win or just enjoy a quiet safe mount out on the trails. He is one that will fit the most discriminating buyer. Pedro is a great all around using horse, the kind that is handy to have around! We have used Pedro all winter to give the kids sled rides, up and down the tar roads and on the lake. He is sure footed, sturdy and level headed one who doesn't get bothered by the wildlife and traffic. When he wasn't pulling kids around he was used to help break out colts. He was used to pony colts around and we snubbed colts up next to him when we went to riding. Pedro was also used to settle cattle for our winter show series and clinics. He has been used for pasture roping and has lots of potential as a rope horse. He is easy to have around as he loads well and stands tied well for the day. Pedro is used to a hard day's work but likes the laid back ways of the trails too, definitely a fun horse to have around! Sound, for more information please call 320-905-3914. Coggins.

Goose is a 10 yr old grade AQH gelding. Came off a ranch that raised good Driftwood horses, and he was one of the geldings they kept for using and never registered him. He a big boned, good footed sound horse. 15.1 hands and 1300 pound palomino. Goose is good broke, and can handle any job you give him. He's quiet minded. He is my first pick for riding outside as he can really cover the ground and a lot of it! Awesome hunting horse, sure footed and is no stranger to packing elk meat. When it comes to team roping, he excels in heading, however we have heeled a pile of steers on him too. He scores well, runs right to the hip every time and is very strong on the horn. Goose is blessed with a lot of run! You will not get out run...no matter the score or the steers! He will run them down. Solid minded horse that you can run a ton of steers on every day and he just gets better on each one! Goose is the real deal, an all-around gelding. Don't miss him in the preview or call me at 406-261-1973 and I will send you some videos of us heading on him. FMI (406) 2611973.

15.2 hands, 1225 pounds of solid cowhorse. 100% all around, ride in any bridle and all day, every day. I cannot say enough about this mare. I trained her and showed her at the Snaffle Bit Futurity as a 3 year old. She is a URCHA Open Hackamore and 2 Rein Champion. MVRH Open Cutting Champion. Our oldest son has won the High School District Cutting multiple times on her. She can swing her reins and walk with the best of them. Saddle up and rides off in any equipment every time for every rider. She has been patterned some on the barrels and is a tried and true Jackpot Team Roping horse on both ends. I mainly heel on her but she loves the heading part as well. We own her sire and if not for that, she would never leave our place. This mare has been shown by our whole family and it is her turn to go. Sound and ready to go win in anything for you. She will be shown in all events at the sale. Cowboy is 17 year sorrel gelding. This horse is kid broke. You can put any kid on him and he will take care of them. This horse has been used numerous times at rodeos, in the roping pen, and barrel jackpots. Cowboy has spent all his life working on the ranch gather and roping bulls, dragging calves, and doctoring cattle. He's been to ranch rodeos also. This is an all-round horse price to sell. He would make a great jump up horse to someone who would like to do a little more than just ride. He is what every family needs. He has been shod countless times and no flaws. Call 620-215-1717 for information. Coggins.

Davy Crockett  
09 Grade Dun Pony Gelding  
Helen Lauth Eyota, MN

Talk about a well broke pony! This is the perfect step-up pony for your kids. 55", lineback dun, well-built, quiet gelding. He is well-broke to ride in the arena, and will go anywhere you point him outside. I've thrown a rope off him and drug logs. He lopes circles, stops on whoa, and has been out of the box; he would do well in little britches rodeo events. Better yet, he will safely take care of your little cowboy or cowgirl and keep up with Dad doing day to day chores on the ranch. He has smooth gaits and is able to keep up with the big horses, and has trailed cattle. Very mellow temperament, hops right in the trailer, not spooky, good to handle, no bad habits. Up to date on his vaccinations for the year. Davy is a very nice pony - take a look, you won't be disappointed! Call (507) 2615070 for more information. I have used her in rodeo queen competitions a few times and won as well. She has competed at multiple levels from Open, to Youth, to 4-H. I've used her on the ranch to gather cattle with no problem. She is just as happy to work in the arena as she is to go work out in the hills all day. Doc is 15 hands tall, 1200 pound sorrel gelding. If you want to go to a Rodeo or a High School Rodeo, you will only need this horse TO DO IT ALL! He is a very nice head horse. He is a very nice heel horse and he runs an extremely good barrel pattern. We have won money at several rodeos across South Dakota, in all three events with this horse, and he has no bad habits in one of these events. The nice thing about him is that anybody can ride him. He has done a lot of ranch work. I have never had a horse with more try and man does he have a whole lot of cow and run to go with. I have had him at several Jackpot ropings in South Dakota and have gotten many compliments on how hard he tries and how good he works. Sells sound. Pack or Ride this guy, but not for the faint of heart rider. This guy I trust with my 18m old granddaughter on the ground. Kizmit is a people's horse. He would rather be next to you than anything else. Has packed into the China wall in the BOB Marshall Wilderness. Has seen everything, no spook on the ground, be prepared in the saddle. IF you know how to ride and have the right equipment you will love this big guy. Sure footed, smooth mover. Stand for the vet, farrier, clipping, bathing, can clean sheath without sedation. Just a bit too bulky for me. (406) 885-4504. Coggins.

## Thank You · Thank You · Thank You

Lisa Dicamillo, Loma, CO

Plesae send a February horse sale catalog. I have purchased two horses personally and partnered in two more since late 2012.

I have won money in team sorting on both of my mares and this year will start the five year old in cowboy mounted shooting. My seven year old granddaughter is riding the last mare I purchased and we are extremely happy with this purchase. What a sweetheart she is.

I have personally met and spoke to Jann who has been wonderful to talk to and deal with. She has made us feel very welcome.

I sold three horses and can say you took your time and complimented the horses I was selling. You can be we will be back, both to buy and sell.
