NOTES: GRADE. Located in Bismarck, North Dakota. If you have been looking for one that is big and one hand broke then Big Jake is your dude. He is a seasoned finished ranch horse. Been used like a set of fencing pliers his whole life in big rough country. He knows how to travel outside and goes wherever he is asked. He will work for any level of rider. Sergeant 2018 Chestnut Roan Gelding

NOTES: "Sergeant" ~ 2018 Chestnut roan Belgian cross gelding located in Greenfield, Missouri. Friendly, steady disposition, a pleasure to work with. Great on trails, crosses water & logs while ponying multiple horses. Moved cows, rides out through the pasture or down the highway, not bothered by the traffic. Side passes, open gates, neck reins & backs. Catch him in the pasture & ride him back in a halter. We put guests on him, used him as a lesson horse for first-time-riding little kids; my 70 yr old dad has ridden him all over & gets along great with him. Gentle ground manners, comes over to a fence to mount. Rides western or english, gone over low jumps. Also has been driven in a team. Good with his feet & great with other horses. Ground covering walk, good trot & nice lope. No buck. Stands 15.3hh, good stout bone; "built" enough for any size rider. Nicely balanced in proportion; he doesn't look as big as he is. Good feet & straight legs, always sound. Will have a current coggins, health & soundness exam. NOTES: AQHA. Piper is a 14.1 hand AQHA registered 3 year old red dun mare located in Walker, Minnesota. Although she is young you would not know it by the way she acts, she is about as safe and calm as they come. This horse does not need to be ridden routinely to stay safe, she had a lot of last winter off as a 2 year old and the first ride on her this spring as a 3 year old my daughter took her to a game show and you would not have known she hadn't been ridden in 2 months. This nice mare has been my 11 year old daughters horse for the last 2 years. She has been trail ridden all over including several overnight trail rides. She will happily take the lead, middle, or content at the back of the pack, will also trail ride by herself. She is not spooky in the slightest and you will have the same ride everytime. She goes the speed you tell her to and will not change speeds unless you ask even if the other horses on the ride change speeds or are out of sight. She Crosses, water, bridges, obstacles, nothing seems to phase her. When we take my kids beginner friends for trail rides Piper is the horse we put them on and she always takes care of them. She has been hauled to many WSCA shows and knows all of the games. She has more whoa then go but is not lazy and will move out if asked. Would make an awesome beginner or 4h horse as she is very safe and willing. She has been to a couple cattle sortings and did great. She ties, bathes, loads, good for the farrier/vet, always been barefoot with great feet, up to date on vaccinations. Piper is an amazing, fun horse that is kid and grandma safe!!!

NOTES: AQHA. Rio is an 8-year-old registered gelding located in Craig, Colorado. He has been one of my top ranch horses for the past three years. Rio stands at 15.2 hands; he goes all day and will cover a lot of country. He has had several different riders ride him across all sorts of terrain. Rio has been there and done that from heading in the arena, doctoring bulls, and yearlings in sagebrush and swamps to dragging calves in the branding pen. He crosses water, bogs, swamps, and logs, very easy horse to be around, easy to catch, saddle, and load. I do recommend an experienced rider due to his fast pace. I am at college, and he isn't getting rode enough at home. Call or text (970) 629-1741. Horse is located in Craig, CO, or buyer can be met in Cheyenne, WY. Will hold for 7 days free of charge after sale.

"CLAY" (Grade) 2006 Cream Gelding

"CLAY" (Grade)

NOTES: Located in Saint Ignatius, Montana. Beautiful cream colored half draft gelding. Broke to ride, pack and drive, on or off either side. Well seasoned gelding that has seen it all. We've utilized his size on the ranch to rope and doctor cows and bulls. He walks, trots, lopes easily and comfortably. He's not super wide and has a smooth gait so you can ride all day and not get sore. He's great in the mountains and moves out nice for a half draft. Clay wears a size 3 shoe and is easy to handle. He has some old scarring on his hind legs from a wire cut but it does not affect his performance in any way. He loves little kids and will gladly pack them too. He has been in parades, horse shows, costume classes, packed in the back country, and worked under harness. If you're in the market for an incredibly sensible, nice mount with good color he's your guy. Current PPE, coggins, and utd on vaccinations. Willing to hold up to 10 days after sale at no charge.

2019 Dun Colt

Claytons Banjo
5981921

NOTES: AQHA. Claytons Banjo or as we call him, Tiktok, is a good looking dun QH gelding located in Powell, Wyoming. He is started under saddle with 30 days of riding. He is super smooth under saddle and really listens to his rider. He is good in a herd, does well for the farrier, stands for fly spray and baths and is quiet to saddle. He is great in the roundpen and for lunging. He is good natured colt that really listens to his handler. He has the potential to be a great ranch horse and with his gaits he could excel in any discipline. Been through our obstacle course, crosses water and handles everything by trying to please his rider. He is update on vaccinations, worming and dental. He does have an incisor that is misshapen from an injury as a colt, but regular dentals will keep it in line.

Yellowstone (Grade)

2021 Bay Gelding

Yellowstone (Grade)

NOTES: GRADE. Yellowstone is located in Powell, Wyoming and is the ultimate draft cross prospect! As a yearling he stands 14.3hh at the withers and 15.1hh at the hip and weighs a solid 1000lb. He is the first horse to be caught in a large pasture, loves attention and gets along in a herd. He is easy to catch, stands for the farrier, fly spray and baths. We've lead him through our obstacles, through water, exposed him to farm equipment and other scary things. He's handled everything in stride and just wants to be your best friend. He has very pretty gaits and does work in the round pen. His favorite activities are standing around and being brushed. He is not a hot draftx his favorite speed is walk and it takes encouragement to make him lope in the round pen. He is out of a percheron X QH mare and by a percheron X QH stud and should mature to 15.3hh with a stout build. He has been prepared to be an excellent riding horse and will excel in anything from ranch work to English riding. Video coming soon! Please call Jerry at 307-578-7386 for more information!

MISSY BIANKUS MCCUE BI LUCKA BUCK (P)

NOTES: 2007 APHA Biankus bred mare located in Rathdrum, Idaho. Bien is a flashy, smart and kind mare she is bot mareish at all. She is broke and has stayed broke with time off. Bien has been patterned on barrels and hauled to a few races. She never has gotten hot and will walk calmly flat footed in and out of the arena. In order to run barrels she will require maintenance as she has arthritis in both hocks. She has never been unsound however, if ran without maintenance she eventually will have trouble picking up her left lead. There is also a bump on her left hind leg this has been there for many years and never caused an issue. I would be more than happy to provide photos and our videos or this. She has a huge heart and will do her best at anything you ask of her. Bien has been trail rode by her previous owners and has always done great out on the trail either alone or in a group. I do not trail ride so she hasn't gone in the last year. She is not a spooky mare at all. I've hauled her to several different arenas and never once has she gotten excited or spooked at anything. She's been exposed to dirt bikes, quads, gunfire, dogs, cats, deer, goats and countless other things. None of it bothers her. She's easy to catch, bathe and groom. Has always been perfect for our vet, farrier and chiropractor. She hops right in the trailer every time she prefers to back out when unloading. Since starting our breeding program I do not have the time to barrel race. She is way too good of a horse to stand around. I did try to bred her twice through A.I. and she lost the embryo at 30 days both times. Our reproduction vet feels she's a good candidate for embryo transfer if you choose to do that. I absolutely love this mare and will never own another horse like her. I will be 100% transparent with everything I know. Finding Bien her perfect forever home is most important. I have tons of pictures of her and videos of her under saddle. Registration papers and life time brand inspection through Idaho in hand. Please reach out with any questions text is the best way due to cell reception. (562)822-7274. Will hold for 10 days after sale with no charge.

NOTES: AQHA. Pony Boy is located in Ft. Lupton, Colorado. Pony Boy is the type of gelding you want if you need to work all day and be happy to do it all over tomorrow. He is as stocky as they come! This 15.3hh flashy guy is a powerhouse! He just came home from several months with a cutting horse trainer and is ready to find a day job. He has seen and done a lot and could go nearly any direction but does love to work cattle. He's been to the sale yard, sortings, clinics with reining and cutting trainers, several trail rides, and even several trainings with the sheriffs office mounted posse. In the past he was a pony horse at the race track and has been used to pony several young colts recently as well. Pony Boy is not a beginners horse, he's very light in his sides and face and all business so he is probably a bit much for a beginner. He has been introduced to a rope though hasn't roped anything out of the box. He leads, loads, ties, is utd on coggins, vax, wormer and is great for the vet and farrier and easy to catch. The trainer who rode him is willing to answer questions as well. To contact her call or text Brii Moore at 307-331-4095. I don't have the means to transport outside 100 miles, but can recommend transport companies if necessary. I will hold him up to ten days after tens day will charge \$25 a day till picked up. NOTES: GRADE. Pawnee is located Walker, Minnesota. Pawnee is a 13 year old, 12.3 hand red dun quarter pony mare that we have owned for 6 years and done just about everything imaginable with. She is SAFE but not for a beginner unless they are confident as she is extremely fast and this pony wants to WIN!! She is an amazing jumping pony that easily jumps a 2' 6" course and has been jumped up to 4'. She is also a Finished gaming horse who knows her job and loves to do it. She knows all of the WSCA games, has been to Champ show and placed very well. My son has won many buckles on her and she always places in the top in Barrels, Poles, Jumping fig 8, Flag race, rescue race and my sons favorite game scuddaho which combines poles, barrels, and jumping into one event. She beats out most of the full size horses in the open class events. She is safe, no buck, easy to get in the gate, will go any speed you ask but if you don't ask she prefers to fly!!!! This pony knows her job, has a big motor and loves to use it! Pawnee has also been used for breakaway roping and trail riding. My son has been showing her since he was 8, he is now 14 and ready to move on to a full size horse. Pawnee has never had any soundness issues, always been barefoot with great feet, ties, loads, bathes, up to date on farrier and vaccinations. This girl is ready to take her next family to the top.

Cowboss
2011 Chestnut Gelding

Cowboss/ (U)

NOTES: Quarter Horse. Located in Condon, Montana. CowBoss is 11 years old this year. Stands 15.1 hands and is a good looking grade Chestnut gelding with lots of eye appeal. He is extremely well broke with a good one hand neck rein. Turns around both ways fairly correct and is a big stopper naturally. we have roped and doctored many outside cattle and Has a ton of natural rate. This horse would be a great switch Ender team roping horse that would train up very quickly. He is one that will be a natural and very easy to finish in that discipline. Would also make into a really good breakaway horse as well. He moves off your leg pressure well and is easy to open and close gates on. Good to sort cows on. He is a nice trail horse that goes where you point him with no fuss. Will occasionally see new things that catch his attention but does not over react to situation's on the trail. Crosses water bogs and obstacles with ease. Trailers great and has no bad habits. Good to shoe and be around on the ground. He is used to dogs four wheelers and Ranch commotion. Probably not the best for a beginner as he can move quick and stop hard at times. He is very sound and ready to go to work. Call or text for any questions. 406-544-9987.

Dunit Waves

2016 Brown Mare

NOTES: AQHA. Located in Broadus, Montana. Here is an own daughter of Tidal Wave Jack! He may be old school breeding but he had a son of his in the run for a million this year. This mare has great reining bloodlines to cross on any of your popular stallions today or breed her to a cutting stallion and get you a cowhorse with some substance. She is 15.1 hands, great bone and foot under her, a gorgeous big bodied mare that is very correctly put together. She is tested 5 panel negative and is possibly HZ black but not color tested. She was started with a solid foundation and a few outside rides before breeding her. She's had 2 perfect foals, no issues breeding up or foaling out. Left her open this year by choice. She has not been ridden in the last two years so I am selling her as a broodmare but she is sound and could go back to being ridden if you so choose. Only blemish is a wire cut scar on her left front leg up high below her armpit, it does not affect her. She is all mare, has a little attitude some days but you can still get along with her, she's very gentle. Please call me with further questions 406-853-2843. Willing to hold for up to 10 days free of charge and willing to drive up to 150 miles at no charge to help with delivery.
