Welcome to Cowboy Country!

and welcome to Billings Livestock Horse Sales!

It's summer under the BIG SKY! And here at Billings Livestock, we welcome you to our "Summer Special Catalog Sale" and regular monthly horse sale - featuring "Team Penning" horses - and our annual sale session of BUCKSKINS!!!

If you like BUCKSKINS, they'll be at Billings Livestock June 27-28! There are 39 head of "Buckskins" offered this month - all kinds, all disciplines!!

We've added \$200 to the team sorting on Friday where one horse in each team will be a sale horse! TEAM SORTING is set for Friday, June 26 at 5 p.m. We have fresh cattle to show the sale horses on and a great opportunity for both buyer and seller to see just what the horses can do under competition circumstances!

PREVIEW, PREVIEW, PREVIEW!!! Shop those horses!!! Our preview of all sale horses, including the penners, cutters, and ride horses, begins at 9 a.m. Saturday morning in the BLS Arena with the cattle loaded for the rope horses at 11 a.m.

We'll have fresh cattle to show the sorting and cutting horses on, too! Watch the cutting horses do their stuff!

And, at BLS, we ALWAYS have good roping steers and we rope at EVERY BLS horse sale (weather permitting!)

Please, come early and look them over and visit with the owners. Many horses will come early and we do encourage you to stop by and take a look!

Transporters/haulers can be arranged, along with insurance on your purchases. Give us a call in advance, we'll be glad to help you.

We invite you to enjoy the difference at Billings Livestock - we want to be your sale of choice whether you are buying or selling.

Make your reservations early - it's summer in Montana and it's a busy tourist time - our host hotels include the Holiday Inn Grande Montana 406-248-7701; Best Western Clocktower Inn 406-259-5511, Kelly Inn 406-252-2700, Clubhouse Inn and Suites 406-248-9800.

Our Soundess Guarantee

Buy and sell with confidence - Credibility and Dependability are important to us.

At Billings Livestock Horse Sales, all horses that are ridden through the ring and sell as a result of being ridden through the ring, are **GUARANTEED SOUND** until Monday Noon following the Saturday Sale and Tuesday Noon following the Sunday Sale unless otherwise stated from the block. To further define our policy, if the horse sells at 6 p.m. on the Saturday of our sale, the horse will be guaranteed sound for an additional 42 hours - Noon on Monday.

What we here at BLS Horse Sales consider sound is: Sight out of both eyes, good in the air, hit the ground sound on all four, and not to crib.

Your confidence in our sale does make a difference! See you at the sale - and remember - at BLS, We Like Horses!

Great grandson of Colonel Freckles, this 9 year old Sorrel Overo Gelding is built big enough, at 15.3 hands and 1,200 pounds, for all your ranch work. Justa Frosty Breeze, "Frosty" has tons of cow sense. He reads them well and has great potential as a Team Penning Horse. He has been working on cows prior to this sale and will be ready to go to work as soon as you get him home. He neck reins, moves off your legs, is fast and attentive with a smooth and easy ride. With his great conformation, you can take him from the ranch to the ring. Our young teenage daughter has used Frosty as her 4-H horse. She also rode and won using him in the Southwest Montana Mini Circuit in Horsemanship, Pleasure, Showmanship, and Halter. He was the 2007 Grand Champion Gelding at Halter. He trailers well and has been exposed to it all. Bathed, stalled, blanketed, clipped, and shod. Frosty's current on all vaccinations and worming. You won't find a horse with a bigger heart. BE SURE TO WATCH HIM IN THE TEAM PENNING COMPETITION.

A seven year old Bay pony gelding standing around 13 hands, 700 pounds, nice hard black feet, all-around good looking pony. Moves and rides like a big horse. Cowy and can keep up with the big guys. Bought him for our five year old girl, but he has too much go for her outside. Would make a great mount for a small adult or a little buckaroo in training. No buck, sound. Shoes, trims, bathes and halus like a pro. Current on shots and worming. Coggins.

This gorgeous gelding is gentle, safe, and sound. Murphy has experience in the barrels and poles, has a nice pattern and is ready to go. He has been working on our ranch this spring and is proving himself to be a nice ranch horse. This is a well broke gelding with a super quiet disposition. His papers were never applied for, but he is out of a Dash For Cash granddaughter by the Big Investor. He has a lot of potential. High School or Junior Rodeo deluxe. We've started roping a lead steer and roping cattle outside doing day to day ranch work and Murphy has really taken to it. He clips, baths, loads, and is current on vaccinations and wormings. He has been a one owner horse and has had exceptional training and care. This is truly a nice gelding with NO VICES. Buy this one to enjoy for competition, ranching, or pleasure riding. Coggins.

Danny is a beautiful black and white tobiano paint gelding with a lot of eye appeal and stands over 16 hands tall. He certainly is the done everything horse we all want. I have used this horse as my personal saddle horse since 2003 and I have a long list of things he has accomplished. I have used him as my parade horse and we have done MANY and he loves them. I have used him for grand entry for various events and is great at carrying flags. I have hunted off him, shot near him, and had him pack our elk out for several seasons. I used him for trail competitions and won. I used him for our drill team. He loves the discipline involved with drill patterns and enjoys working along side other horses. He is a gentle horse mate in the field. He goes all day and still has energy to lope home. Cannot even begin to calculate the amount of time spent in the saddle with this horse. We have competed in a few western pleasure shows and placed. When I purchased him he belonged to a 12 year old boy who was roping off him. I have no team roped off him, however, I have thrown ropes off him, tracked the mechanical steer, chased cows, and used him for my practice team penning horse. Very cowy. Loads, bathes, clips, shoes, trailers and trims. He is the perfect package of a great working horse with looks to boot. Additional pictures can be seen at www.saddleridgearena.com.

He really watches a cow, can really cover the country, and goes or stands tied all day long. Great on the trails, crosses water, opens gates and absolutely no buck. We have been producing solid, honest Corriente roping and breeding stock since 1989. These guys were run as bulls until March '09, then were banded, Ivomeced and all vaccinations boosted. They are ready to go to work. Excellent horn combined with a smaller frame-size breeding program combined to create cattle that will rope through 2 summers. Good mind, along with plenty of muscle, bone, speed and cow. Stared under saddle, no buck and very willing. Breed stallion only due to injury. Great asset to any breeding program. Choosing to sell Sailor was a hard decision, currently we don't have room for two stallions. So its with great sacrifice we choose to sell this promising young stallion. Great disposition, beautiful color, outstanding confirmation and excellent pedigree. Well mannered during breeding, hand-breeding and pasture bred. Sailors sire was Sonny Pep San from the Open Box Rafter Ranch. He was a powerful performance stallion with a great foundation and classic speed horse pedigree. His sire, Sonny Sugar, sired AQHA Register of Merit in roping and reining, reining futurity winners, as well as top rodeo money earners in calf roping, heading, heeling, breakaway, barrel racing and NCHA cutting. He also sired winners in racing and halter. The dam of Sonny Pep San is Anna San, Dave Rosgen's outstanding cutting mare. A jet black daughter of World Champion, Mr San Peppy, she has won several thousand in cutting and has her NCHA Certificate of Ability. Sailor's dam is Sailing Lizzie Mae, she is and own daughter of Rimalito. Rimalito was a AQHA superior race horse and former track record holder, with a speed index of 98. He was the sire of AQHA superior race horse and multiple AAA horses, multiple stakes horses, winners in barrels, poles, roping, reining and halter. Lizzie is our #1 ranch mare, extremely fast and cowy. Coggins.

Chelsea is a well built and attractive Appaloosa mare. She is a black-bay with roaning (blue roan). She has a very pretty head. She had been ridden, but not for the last 2 years. She is quick and catty, turns fast and she watches a cow. She has had one foal: a beautiful near leopard with brindling (rare). She is a good mamma. Sadly selling, she needs someone to work with her often and I am on the road. We are not breeding anymore or I would keep her as a brood mare. She prefers women.

HIP 510
