Our Soundess Guarantee

*Buy and sell with confidence -
Credibility and Dependability are
important to us.*

At Billings Livestock Horse Sales, all horses that are ridden through the ring and sell as a result of being ridden through the ring, are **GUARANTEED SOUND** until Monday Noon following the Saturday Sale and Tuesday Noon following the Sunday Sale unless otherwise stated from the block. To further define our policy, if the horse sells at 6 p.m. on the Saturday of our sale, the horse will be guaranteed sound for an additional 42 hours - Noon on Monday.

What we here at BLS Horse Sales consider sound is: Sight out of both eyes, good in the air, hit the ground sound on all four, and not to crib.

Your confidence in our sale does make a difference! See you at the sale - and remember - at BLS, We Like Horses!

Dodger

Dodger was born in Oklahoma and we are glad he ended up in Utah. Dodger is a beautiful buttermilk buckskin gelding. He is sweet and gentle, and a very smooth and easy moving gelding, standing on a stout and rock solid, big boned 15.2 hand high frame. Dodger has herded cattle in the Wasatch mountain range in Utah, travels out well and has a very smooth lope. Mainly been a trail riding and a pleasure riding horse for the most part. He has been hunted on, and used in team penning and sorting. He has been started roping on the hot heels as well. He was a barrel racing prospect at one time but we haven't tried him there, since I don't have a daughter to do that, and we rope. We hate to sell him but with the colts we have to start, we are offering this guy for you to take advantage of. Give him a job, put him to work and he will do it. He has the body, mind, and the disposition that you can't go wrong with here, and he dang sure has the good looks to go with whatever you do with him. He gets along very well with other horses, and is a very easy keeper. Up to date on vaccinations and worming. He is one of the quietest horses I have ever had. NOTHING bothers this horse, he has been ridden in the toughest situations and never gets shook up. He has a HUGE slide stop, roll-back and turn around and is handy size. He lope beautiful circles and is very soft and lowheaded. This horse has 100s of hours gathering shipping sorting cattle in big country. He is cowy and will work a cow. This colt has the package to take to the stockhorse show or one top ranch gelding. You wont find a nicer broke gelding at this sale. He is gritty and works all day with a good attitude. Video <http://www.youtube.com/user/rshowalter> No holes, No secrets. 406-671-5979

Poncho
04 Grade Chestnut Gelding
RMO Horses Heber City, UT

Here is Mr. Reliable. He is broke and gentle as they come. He is HONEST and always the same. He's pretty cool to look at with his big frame, flaxen mane and tail. He has made quiet the living with us and has been in our herd for 5 yrs. We feel he deserves a chance to get away from the day to day trail rides. He isn't sour and he is guaranteed sound. There is no problem with Poncho we just want to give him a new home. This horse is "One of a Kind"- He has made a living chasing a train and entertaining people. You can shoot off his back, crack a bull whip, and then use him for lessons and put a kid on his back. He has been packed, hauled many elk, has taken hundreds of "dudes" down the trail. He is a kid horse but will pack any size person you put on him. He will ride off alone from hunting camp or he will follow in line with the rest, he doesn't care. We will miss Poncho but know he will make someone very happy. Watch Video of Poncho at <http://www.youtube.com/user/rmohorses> For questions call Joe at 801-361-6772. Finalist for 2010 & 2011 for North America's "Guide Service of the Year" by ORVIS. Current on Health and Coggins.

Poco is a very attractive gelding that stands around 15.1. Poco was born buckskin but has turned grey. Poco has been used for all types of ranch work on a big country Wyoming ranch. I have personally rode him a lot of miles this spring in rough, rocky, Black Hills country. Poco goes through water, over logs, and across noisy bridges. Poco side passes over and works gates. This gelding will tolerate rain slickers and being rode over plastic tarps and having them waived off him as well as flags, and having bull whips cracked off him. Poco has had some cattle roped off him outside and drug calves at a branding this spring. I have roped the hot heels, burro, lead steer and drug logs and ponied colts off him in the arena. Poco neck reins, stops, backs up and can roll over his hocks. Poco is shod and current on shots and worming. I have several pictures available of Poco working. He walks right out, shoes, bathes, clips, hauls, etc. He's a pleasure to be around... never have to chase him to catch him... comes up and sticks his nose in the halter. He's always ready to go! We've had him in the mountains above Jackson Hole and he's a going son-of-a-gun. You can't find a cuter set of ponies. These two brothers are amazing, they ride like you hope a pony would ride for your kid and are GENTLE. You can put any kid on Bert he will ride around at their pace. Ernie will take care of most any kid byrs and older, he is a talented little guy that will make a kid with some experience look good. My daughters have ridden these two little guys everywhere. They love them. Bert & Ernie have experience driving, but really shine as riding ponies. You can ride them up the trail or around the arena. Nice handy sized standing at 12.1 and 12.2 hands tall. If you want a pair of ponies that will suit your kids just starting and those with a bit of experience these two will do it for you. You can't find a cuter set of ponies. These two brothers are amazing, they ride like you hope a pony would ride for your kid and are GENTLE. You can put any kid on Bert he will ride around at their pace. Ernie will take care of most any kid byrs and older, he is a talented little guy that will make a kid with some experience look good. My daughters have ridden these two little guys everywhere. They love them. Bert & Ernie have experience driving, but really shine as riding ponies. You can ride them up the trail or around the arena. Nice handy sized standing at 12.1 and 12.2 hands tall. If you want a pair of ponies that will suit your kids just starting and those with a bit of experience these two will do it for you. I can't say enough about these two. Great feet, easy to shoe, trailer, wash, and will stand quiet all day long. Watch Video of Bert and Ernie at <http://www.youtube.com/user/rmohorses> For questions call Joe at 801-361-6772. Finalist for 2010 & 2011 for North America's "Guide Service of the Year" by ORVIS. His progeny totals are 388 starts, 42 wins, with 4 stakes wins. He is a multiple AAA producer with 28 offspring earning their race ROM and total race progeny earnings of \$340,410 making him #16 on the all-time sires list of APHA racehorses by money earned.

Suchanimage's foals have also proven to have the disposition to take their athleticism to the barrel arena. He is the sire of many top barrel horses including APHA Reserve World Champion Barrel Horses SUCHASPARKLINGIMAGE & INDIGNANT along with 2011 1D Money Earners SUCHAPAIN TOOTLES, 3-Time Finalist NBHA Youth World, etc.; SUCHADIAMONDIMAGE Finalist Old Fort Days Futurity, etc.; and UNCHAINEDINDIAN Finalist Summer Shoot Out, Gayla Milam Memorial, Lucky Dog, etc..

Suchanimage finished the 2011 barrel racing season as #8 leading sire of Paint barrel horses in the nation. We are still racing Suchanimage offspring and have mares in foal for 2013. We are cutting back on our breeding operation and no longer need our own stallion. We are retaining 2 breedings per year to Suchanimage. He has maintained consistent semen quality over the years with excellent motility and morphology. He is easy to collect and his semen ships and freezes great.

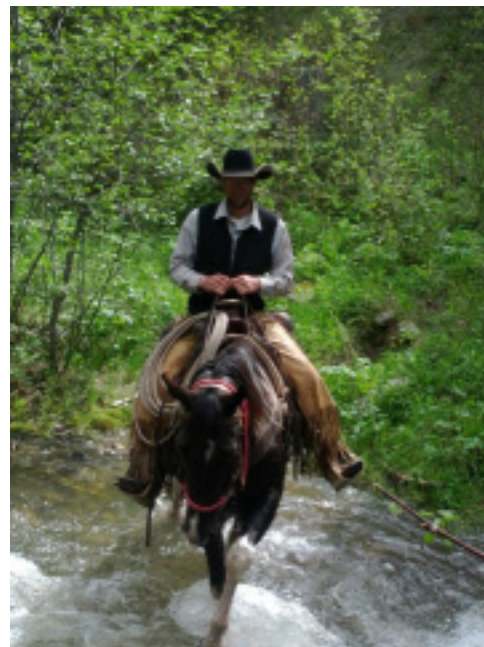

Complete collection records/evaluations are available for the 2012 breeding season. This horse has the pedigree, performance record and progeny record to enhance anyone's breeding program. We are proud to offer our herd sire Roany Gumbo Dancer. Every one of his foals is virtually the same. He throws intelligence, gentleness, and cow sense. Every foal is straight and heavily muscled. We used him on our smallest mares to put feet and bone of the foals and we are pleased with the results. He is a true Montana Ranch Horse sire as his foals have speed, cow sense, agility, and size. He is a great breeder and kind to the foals in his band. He is gentle and can be caught anywhere. The only reason we are selling him is we are drastically cutting back our herd. His influence will go on in our program as we have kept a son of his and several daughters. He is a true blue roan and stands 16.2 hands and weighs 1450 lbs. our loss is your opportunity, so don't miss out on your chance to own this fine son of the Gumbo Roany of the Beecher Ranch's fine breeding program.

Rhythm is a big, tough mare that has been from the show ring to the mountains. Used to gather cows off BLM and drag calves to the fire. We've been in a couple sticky situations in the mountains but she keeps her wits and finds a way out. Finished in the bridle, all leg cues, BROKE. Was shown until she was 3 in 4-H, MSHSA, breed shows, and then two years at NWC in Powell, WY. She consistently placed at the top with a lots of first place ribbons under her belt. excellent for Showmanship, Horsemanship, Trail and Hunter Under Saddle classes. She has had both hind pastern joints fused asfter fracturing her second phalanxes during turnout. That was nine years ago and she's never been lame because of it. I guarantee her sound for work. Probably best for an advanced rider. No bite, no kick, easy to catch, shoe, load, bathe and clip. Up to date on all shots and deforming, shod. Outlaw
03 Grade Bay Paint Gelding
John Nelson Ballantine, MT

He is a son of the Sheriff Dun It from Miles City and a running paint mare. The papers were lost in a divorce, before we got him so he will sell grade. Outlaw has been there and done that. We have used him to gather cows in some big country. My wife has trained him well on the barrels. He has been rode in parades, and has worked at BLS for 6 years in the yard back during horse and cow sales. Outlaw is an all-day mount that will really watch a cow. I have messed with a rope some on him, and has him in the box some, but have nit drug anything off him. Outlaw has no buck in him, shoes well, and trailers well. With that said, I would not recommend him for an inexperienced rider, due to the he has a lot of go and can turn out from under you if you don't have a good seat. If you are looking for a good all day mount for the arena, pasture and or just a good looking fun horse to ride here is your guy. For more information (406) 208-9556.

This is a 32" great little kids starter pony! He is great under saddle and ponies along side big horses through creeks mountains and trails. He is as cute as a bug. His entire life he has had kids climb all under over and around this pony. He heels like dog, follows you or a kid anywhere. Never foundered, never been mean or sassy. An older kid can ride him and rein him and stop him with ease. He does not spook. Only selling because the kids now have a bigger riding pony. He is a very neat brown, silver, sorrel color. Rondee is an open caliber team penning/sorting horse. He won the year end saddle in 07 his first year competing. He has penned and sorted on a national level and has won over \$10,000. Qualified and competed at the AQHA World Show in 2007. He is very quick and cowy and can take any rider to that next level of competition. Has been shown by an open rider, but easy enough for a novice. He has sorted many bulls in our feedlot and gathered and sorted cow/calf pairs. Very versatile horse. <http://www.youtube.com/watch?v=zcDmZiu-d-s> Call 541-276-6108 for more information Coggins.

He rides great on the trail, doesn't spook, crosses water. He's been used on the trail but would make a nice little 4H horse. This horse will stay broke and doesn't need to be used everyday. Fancy to look at and will really get you noticed. Watch Video of Oreo at <http://www.youtube.com/user/rmohorses> For questions call Joe at 801-361-6772. Perks" is on track to becoming a big time barrel horse. He was ran in the futurities last year and was running consistent 1D times. He hauls great, has excellent manners, and has a great personality. Due to lack of time between work and the kids I feel it is his best interest to sell him to let someone else finish him because he is too talented to let go to waist. Perks is good in the gate, doesn't get hot, and rides quiet on the trails. If your serious about barrel racing, this is your guy! Sound, current on deworming, shoes, and coggins. He has been used in Jr. rodeos in breakaway, goat tying, pole bending and barrels. Tucker has been hunted and packed on, and is cowy. He will pull a bull if you need him to. Thank You • Thank You • Thank You

Hey, how about it? We just had to share! First off, we congratulate the 2011 PRCA World Champion Team Ropers, Jhett Johnson, Casper WY and Turtle Powell, Stephenville, TX. This duo amassed over \$125,000 at the Wrangler National Finals - and - Turtle did it on a horse that originally sold at BLS. Here's the story: (Mike Copeman Photo)

Rex and Terry Quintana, Malakoff TX

We bought "Docs' New Boots" a 1997 Bay Gelding at BLS in 2001 from consignor and breeder Darrel Loftesnes of Norwich, ND. When we first got him we used him on the ranch, we gathered and trailed cattle 27 miles to summer pasture. Rex decided that this was a special individual, so he started training him for the working cow horse events. He showed him in the NRCHA and started heading on him. We then sold him to NFR qualifier Richard Eiguren, Jr, Arock, Ore., who finished him in the heading and has roped on him at such ropings as the BFI. He leased him to Turtle Powell for the NFR. Turtle and Jhett Johnson won the average and \$125,625 at the finals. Thank you Bill and Jann for having such quality horses at your BLS sale. Rex and Terry Quintana

Darrel Loftesnes, Norwich, ND

I talked to Randy Hanson yesterday and he told me that he thought that Doc's New Boots came to your sale in May of 2001. You maybe have found it already. One thing that he told me that I had remembered from before was that your husband Bill called that one because he yelled at Randy across an aisle and a pen and told him thanks for bringing such a nice horse. It certainly turned out to be true. Let me know if you get this and also I would like any new info that you get on the horse as well. Thanks for letting me know!

From Jill Houck, N Branch, MN

Dear Houck Horse Company,

My Mother and I returned home from Billings safely with Sofia Peppy Olena.

Since that time I have been working with her everyday to get to know her better and allow her to adjust to her new surroundings.

You were so honest about her demeanor; she is gentle, kind and very well trained. I am looking forward to a long life of riding and working cows on our countryside. Most importantly Mr Houck thank you for spending all that time with me during the BLS Horse Sale. Your patience helped me find comfort about the purchase I had hoped to make.

In addition thank you for allowing me to take ownership of Sofia once I was awarded the bid on her. I am so grateful for her and to have had the opportunity to work with you and your family. You are genuine, honest and knowledgeable horseman and so is your family blessed with these qualities. I would advise any buyer to work with you. Lisa Bennett, Hathaway, MT

Shelley Murphy, Helena, MT

Shelly purchased Hip 332 "THR Justa Bada Fame" a 2009 AQHA Bay gelding by Dash Ta Fame at our February 2012 Sale event.

Offered by Two Hats Ranch, Tillamook, OR, Shelley shared the photos of her new horse via FACEBOOK.

"He is AWESOME, one of the best I've ever ridden and [Zoe Behrens-Martens](#) gets all the credit for that. He is outstanding and I am super excited to see where he can go. Big hopes and dreams for this fabulous animal!"

Here's to a BIG future, Shelley! Keep us posted - we excited for you, too!

Thank you, all for sharing! Good news is the best kind. If you have a success story or update about a horse you purchased here at Billings Livestock Commission, we'd love to hear from you! Please email us at info@billingslivestock.com

Sorrel, 10 yr old gelding, purchased at BLS as yearling. 16 hands- 1250 lbs. used as a stud for a couple years then started at five. Been in rocks and brush and ridden on the ranch in Nevada by my niece and others, trailing cattle and heeling calves at branding. Brought him back to Billings to train as a heading horse. Sent him to Paul Griemsmann in November and December 2011, but I haven't roped on him. My day job (office, including travel) and an injured shoulder prevent me from riding as much as I'd like. Not used and is too good a horse to let stand in the pasture. Sound. For more information call Al at 406-208-7214 Coggins

Scud is an athletic built horse that can and will go any direction you take him. He stands about 15.1 right now, but seems to be growing! He has been used on ranches, scouting elk country and pleasure riding. He loads, bathes, clips, and stands for farrier. This guy has a future. And I might add, he is flashy too! Coggins.
