Hickerson Land/ Livestock Spokane, WA

This mare is a nice addition to anyone's programs. Really soggy built with a mind to match. Has a 2010 blue roan filly by her side. Baby is by a Regional/National Reg. Welsh Stallion. We gotta tell the story, we believe this mare stole this filly from another young mare on the place, this mare appears to be extremely pregnant at this time. Due to the age of this filly, we don't believe it is hers. Sire the same, and we are gonna wean the pair in the ring. Mare sells sound and sound to breed. Coggins.

Sunny is a nice 33 black mare who has done well in our breeding program. However, since we need to cut back a little on our numbers someone has to go. So far Sunny has thrown a buckskin, grullo, and a palomino for foals. Two of her foals stayed tiny while the other should have matured just into a B due to that sire throwing bigger foals. Don't pass this girl up as she will do you well. Sells exposed to our cremello pinot stallion, SunRaies Destiny Regal Illusion for 2011. Guaranteed to be a colored foal if bred! DNA tested. Up to date on her 5 way and West Nile shots as well as her worming.
