This fancy brown mare is really broke. She will go any direction you want to go. She was started as a 3 year old by Oana Harkins. We used her on the ranch for a couple of years, then Oana rode her the whole summer when she turned 6. Oana is a top hand and really put the finish on this mare. Caleb Zeiler, another up and coming cowboy, has ridden her over a year. She has separated a lot of pairs and drug a lot of calves to the fire. She makes it all look easy and never loses her cool! This mare is big and smooth and can rally handle herself in big, rough country all day, every day. Bookie is a real ranching and roping prospect and also would make a big time barrel mare. She is bred to do it all. Her dam is a full sister to Alex Cole's black and white barrel and pole Super Star Gourmet King. Her granddame Bug Eyed Baybird is the dam of a million dollars' worth of arena champions all over the country. She was and still is the backbone of our breeding program. Her sire was a thoroughbred horse that we bought out of Texas to cross on our foundation mares. He was a real speed horse that broke a track record at 4 1/2 furlongs. The only reason she is up for sale is her rider needs a new motor for his pickup. Call Mike at 406-694-7670. Coggins.

Selling as a Team. Comes with harnesses and covered wagon. They are all around wonderful horses. They love to please and have lots of attention. They love to pull the wagons. Both horses are very gentle and well broke to ride. They have been used in 4H rodeos, Progress Shows & Parades. Both have competed a lot in Reining, Western pleasure, Western riding, Ranch riding & Trail classes. Been used in barrels, pole bending, flag race & goat tying and both carry flags with no problem. Silver has a gorgeous pole pattern. Kids of all ages & skills have come over and rode both horses with no problems. They were always the horse my Grandkids put their friends on if they had never ridden or were scared of horses. The kids that came over scared of riding horses left looking forward to the next time they could come ride. Had a young girl use both horses for 4-H in County Fair last year. She won Grand Champion in her class at Junior level and then took overall in Showmanship against all other levels her first year showing. Silver (Gelding) my Granddaughter will walk up to him and grab his mane in the pasture lead him to a fence and when she climbs the panels he sidesteps against the fence to let her on with or without bridle. We have taken Silver into the Petco store for Costume contests walking all around the store with lots of dogs and other animals walking around him and with our ferrets on his back never shying from anything. Very loving, gentle pony just needs someone to give him lots of attention. Selling due to my Grandkids have got too big to ride them and have bigger horses now. Hate seeing them stand in corral without a job, and they don't get the attention they deserve. (307) 660-7434. Coggins.

Scott or Sandy Sallee Emigrant, MT

Adam and Aunt are very gentle, kind black mules. They are both 16.1 hands with great withers. They have been together many years. They are nicely broke to drive and travel smoothly. We have driven them on the wagon, forecart, and surrey. Adam and Aunt have been packed everywhere in the string and keep up. Adam has also been trail ridden. They are easy to catch and like people. Good about their ears and easy to shoe. They are fine with dogs and load well in a trailer. Easy-going and easy to handle. Adam and Aunt are a sweet multi-purpose pair of mules that would work for novice packers or teamsters. Current on wormer, teeth floating, and vaccinations.
