This flashy deep gold palomino stands at 14.3 hands. He has been there and done that. Started as a cutting/reining prospect and has been exposed to many situations and is sure to get the job done correctly. He has started heeling as well as tracking the heel-o-matic. He will collect under himself, spin both ways, has a big stop and a nice one handed neck rein. He has seen the sights of mountain trail rides as well as sorted cows at the feedlot. He stands for the farrier, clips, loads and hauls without a problem. I believe he will make somebody a great roping, ranch, or all around horse. FMI 702-672-5248.

Bully is easy to run and is honest. He runs to the left mostly but will run either way. He has no buck or alley issues. Bully rides great outside; been ridden down the trail, crosses water, ect. I've gathered cattle on him, ponied colts on the race track and he has gone through post parade. Bully is the perfect step up horse, high school rodeo, jackpots, he's done it all or if you just want a nice horse to ride down the trail or around the house that will take care of the kids. Hotshot is a fancy one of a kind mare standing 15.1 and 1300lbs and well-bred with being by a own son of High Brow Cat. She has 10 months reining training and will sit down and stop and turn around. This girl has a lot of ride and very willing. She isn't a dead head by no means, would make a super barrel/gaming horse. She is quick, catty and a lot of speed to her. She would also make a fantastic rope horse. She is built like a brick, this is a big girl with a lot of muscle. She is an all-around mare. She also been used to chase cattle up out of pastures and pasture roped on and ranched on before reining training. She also trail ridden a lot. Very smart mare with tons of talent and very sweet personality, No buck, rear, kick or bite. Sound and sane and safe. She is good to catch, great for farrier, good with other horses, stands tied, stands for saddling and bridling. Contact Kyle @ 402-841-7763 Check out www.kpsalehorses.com for more photos and video. If you like them short and shapey, well then you will like him. Jack is 14.2 and stocky built. He is gray in color and about as cute as they come. He is gentle, has never offered to buck. He has had lots of outside miles. We have roped the hot heels and started roping some slow steers. This horse likes to stop and get off the bridle reins so therefore we feel he has the potential to make a pretty cool calf horse/heel horse. He rides good outside. Gentle and sound. NOTES: LDA Diamond Cutter is a gorgeous gelding sired by Like A Diamond. He is the perfect size standing just at 15 hands. He had some reining training when he was a colt and has been ranched on ever since. He has been used for every aspect on the ranch. He is gentle and safe! We have started him in the arena again and he is really showing us his ability there as well. He has always been pasture roped but took right to the hot heels and is ready to back in the box tomorrow. Will be roping some slow steers by sale day. He is a top end heel prospect as he loves to stop. He is sure footed, great strided and sound with excellent foot and bone. He is a pleasure to ride and be around. We would say most any level ride would get along with him and enjoy his willing disposition. Neck reins, soft in face, moves off leg. Video under West Fork Ranch on Facebook. Very nice brown mare, extremely gentle. This mare has been hauled to Arizona this past winter and roped on as a heel horse mainly. But has also made a nice breakaway horse for the kids. She's been used to help start colts in the round pen and is the safe horse to put family and friends with no experience on. And to top it all off, "STELLA" is as cute as a button. He will have some of the heading training done by sale day and hopefully demonstrate him in the heading demo at the BLS arena. Thunder is soft in the bridle, moves off your legs, and will ride off with no problems such as buck, bite, or rear. He ties great without pawing. Tucker is as pretty of a buckskin gelding that we may have ever had! This gelding has it all going for him, brains, beauty, and talent!! We bought Tucker from the people who raised him from a colt. Tucker is fancy broke to ride, spin and slide, lopes nice collected circles, soft in the bridle and on his sides. He is one hand broke, goes where he's pointed outdoors, crosses anything and everything you ask him to, and will catch every person's eye that you ride by. We have had multiple half-brothers to this horse and we have loved them all. His sire puts as big of hip and hind leg on them as you could possibly want. Tucker has also roped the hot heels, drug the log, good with tarps, wooden bridges, and rides bareback. If you like the looks of Tucker in his picture you will be sure to LOVE him in person! He is calm in the box and will score great but still has quite a bit of get up and go and a fantastic stop. We have been continually roping this winter so he is tuned up and ready to go for spring rodeos and ropings. He is a great horse for most level ropers! He has been my wife's rope horse while she has been learning to heel but he also has enough talent and athleticism for experienced ropers. Snickers was also used by my wife as a queening horse, and is extremely soft in his face; he has also packed flags in rodeos, and ridden in dozens of parades. He shoes great and will stand calm. He is calmed while being clipped and doesn't mind kids, dogs, ECT around his feet. Jack is a gorgeous golden palomino gelding that is broke to ride. He stands 15.2 hands, weighs 1300 lbs and has the bone and foot to last a lifetime. Jack has been ridden both in and out of the arena. He has been on trail rides, and used to check cattle. Jack is riding well in the arena where he is soft in the face and ribcage. He takes his leads, and has a nice lope. Jack is using his hind end well in his stops and turns. Jack is a very pretty, thick made gelding with a good foundation. Digger is an extremely talented, huge stopping heel and break away gelding that's gentle to boot. Ready to haul, really cowy, tons of foot speed, and loves to get in the dirt! He's push style in the heeling, just kick till you throw and then very strong from the horn. Great in the box, lots of natural rate, and walks off after a run on a loose rein. Digger has been on the same ranch his whole life until we purchased him last summer. He has been used like a four-wheeler, worked in the feed yard, sorted pairs, used in brandings, and loaded semis. He would really excel in the calf roping and is ready for the next step. Paul Griemsman has had him in rope training for a few months this past winter and will be showing him at sale time as well. Sound, current on deworming, shoes, and coggins. For more info go to www.schmittthorseranch.com or find us on Facebook at Schmitt Horse Ranch. She was my pony for many years and now that I have outgrown her it time for her to become some other little cowboy or cowgirls main mount. You can do anything on her. Go anywhere on her. She rides out alone or in a group in a halter, bridle or even some twine. She will ride with a saddle or bareback. Has pulled a cart before but that was a while ago so she might need a refresher. Docs Bon Cougar a 2002 AQHA dark golden palomino gelding!! If you are looking for a nice safe all around using gelding that is built to last, he is certainly the one for you! Cougar stands approximately 15.2hh has a very solid stocky build with excellent bone and feet. He has always been kept bare foot as he has never required shoes. He is sound and utd on everything! Cougar is good to catch, load and ties anywhere. Cougar has been my daughters 4-H and game horse, she also team ropes, ropes at brandings and doctors cattle on the pasture with him. She has successfully competed in barrels, poles, flags, keyhole, goat tying, stakes, breakaway and heading winning numerous awards. Cougar is great to trail ride on, he crosses water, climbs hills and closes and opens gates with no issues. He can be rode with a group or alone and he is gentle for any age rider and is great for the whole family. If you are looking for a safe, sound, flashy, all around gelding Cougar will work for you. Peppy
10 Grade Dun Gelding

Sells with application. Peppy is a classy looking orange dun that sticks out above all the other horses. Peppy has been everywhere. He was hauled to Arkansas to go trail riding in the rough trails of the Buffalo National Park, he proved to be very sure footed and he was ridden by a mother and 9 month old baby. A three yr old boy would walk out to the pasture and Peppy would just stand there and when lead by the boy, Peppy would be very careful not step on him. Peppy has been used for all aspects of ranch work: has been on many a cattle drive, gathering, and sorting pairs etc. He is very gentle, BEGINNER SAFE, easy to catch, loves attention, easy to be around, neckreins, will work a gate, sidepasses, saddles up the same every time, will ride off the same every time, saddles up with no buck, bite, kick, or rear, and he has been through our program. Peppy rides where he is pointed- across plastic, water, logs, drop-offs, ditches etc. and he has never offered to buck with us. He has been sacked out with plastic and drag anything behind him. We hate to see Peppy go but we cannot keep them all, so here is your chance to own him. He knows how to keep a steer in his sight and will be at the jackpot as well. She won the cutting at Powder River Days, she won the Open Jr Horse at the local CSSHA cow horse shows. She can burn a hole in the ground when she turns around, and she can hold her own at the end of the rope. We are selling her because our new crop of up and coming horses are forcing us to sell the older horses! Prairie Hill Horses & Stuff, Robert Mast, WI

We would like to thank everyone at the Billings Livestock Sale for helping make our trip a success.

It was our first time at this auction and everyone was extremely helpful and friendly.

We would also like to thank an anonymous lady at Cracker Barrel on Friday night who bought all five us dinner.

We want to thank Buzz Feeley for the use of his wagon and all the helpful information.

Thank you, Toby Palmer, for the delicious food and great company.

We met some of the nicest, most generous people, on our trip from Wisconsin.

We will definitely be coming back.

BUZZ and WOODY - Are on to the 2 1/2 year old! Best ponies, ever!

They raised Laney and Tana who now went on to big horses, truly no bite, buck, rolling, rubbing off on fences....

Shali is now riding around by herself. Thank you.

Danielle McKenzie, Belle Fourche, SD

We love our "Faithy Pony".

Little (21 month old) Rylie can practically walk right under her and Faith doesn't even flinch!
